

Town makes first step for downtown re-development

The committee of the whole voted unanimously in favour of a recommendation to council regarding the approval in principle of the location of a Civic Centre in downtown St. Albert, on Monday, Feb. 24.

A report prepared by Mr. R. L. Byron, town administrator, points out four recommendations which will lead to the construction of the civic centre complex: First, a decision is required to agree in principle to the civic centre complex idea and its location; Second, there must be a study undertaken to determine the square footage required; Third, there should be a design competition which ensures that the town has the opportunity of selecting the best proposals, employing the innovative ideas of architects competent in the field; and Fourth, is the preparation of specifications and the calling for tenders.

Coun. Frank Lukay asked Mr. Byron if he had a specific time or ultimate date to be met in terms of the architectural competition. Mr. Byron noted that the competition would serve as a means to acquire the talents of architects to depict a unique structure for St. Albert. He pointed out that the competition would afford council other choices rather than the "traditional style of municipal offices." Mr. Byron noted that such a competition is a time consuming process, specifications have to be made clear, and a judging committee should be struck to examine the proposals. He mentioned four months as a reasonable amount of time that such a competition could take.

Coun. Breadner admitted reluctance to go along with acceptance of approval in principle of the civic centre facility without being given an indication of a general outline plan of the entire downtown area. Mr. Byron noted that by establishing the civic needs at the outset, the remainder of the development would be given a point of reference from which it would be designed. Mr. Byron also noted the importance of identifying the town's own needs before defining the needs of the remainder.

Coun. Wetsch noted the need for the civic complex and stated that he did not see how it would be possible to

regard the project in terms of the total downtown area. Coun. Thronson stated that he wished to see any encroachment on valuable river lands avoided in the construction of the complex. Coun. Thronson said that such lands should be retained for use as parkland and walkway areas.

Coun. Smith noted the need for both the civic complex and the river bank land. She stated that she was concerned with input regarding the final appearance of this entire area and urged guidelines to identify how the various buildings will fit

in the general area.

Mayor Plain reassured the committee members that piece-meal development would not result from the planning of the downtown area. Telling the committee that the design competition did not lend itself just to the design of a civic centre, the mayor said that the broader framework would be considered. The mayor also pointed out that if the entire area was not under consideration, the town would be guilty of the type of planning banned to other developers within the community.

Regional Recreation Complex Discussed at Public Meeting

About 150 people attended a meeting at the Community Hall on Saturday, February 22, to participate in the planning of future recreational facilities in the Town of St. Albert.

The meeting, which lasted over two hours, was called to hear public opinion regarding facilities to be included within a recreational complex and to ascertain an indication of which of the three siting alternatives would be favoured by residents.

Mr. Dale Bjornson (chairman of the St. Albert Parks and Recreation Board) chaired the meeting and was

joined by Mr. Bernie March (recreation director), Mr. R. L. Byron (town administrator), and Mr. Don McCoy (representing Phillips-Barratt Architectural Consultants).

Mr. Bjornson explained that the mayor and council desire to have the facilities complete by the end of 1976 and are eager to have public input regarding components to be included within a complex along with suggestions on the site. Funding, explained Mr. Bjornson, for major recreational-cultural facilities development is to be \$100 per capita and St.

OLDEST MEMBER OF THE St. Albert Senior Citizens Recreation Centre, 93 [next month] year old Mrs. Marie Rose Van Tighem and St. Albert Citizen of the Year Henry Terrault take delivery of a lampshade, bingo machine, with balls and markers and 600 cards for the centre donated by the St. Albert Community League.

Albert is eligible for about \$2 million under the Recreational-Cultural Grant program announced by the Minister of Culture, Youth and Recreation earlier this

year. Provincial grants will cover 50% of the construction cost of a regional multi-purpose facility; 40% of the construction cost of a municipal multi-purpose fac-

ility; 35% of the construction cost of a municipal multi-purpose facility; 35% of the construction cost of a regional single-purpose facility, or

Scenes from St. Albert's past to highlight proposed shopping center

Ten glass cubes depicting scenes from St. Albert's past will form a part of a new \$11½ million shopping centre for the town.

St. Albert residents were told this last Saturday morning as they attended a meeting at the Club Macomb dealing with the slated Heritage shopping mall.

Site for the proposed development is just to the northeast of the intersection with Hebert and Gervais roads and the St. Albert Trail.

The centre will have facilities for a superstore, a home improvement store, furniture store, other shops, office space, a twin theatre and boutiques separated by a mall.

Developer Glen Leckie told residents - about 50 attended the meeting including representatives from town council - that the proposed development was for the immediate needs of the community rather than projected needs.

The proposed theatre with

the complex will house up to 500, and the three access points at the centre will handle 2,500 car entries and exits per hour.

Mr. Leckie said that the development had held back on recreation facilities at the site because it wanted St. Albert to pioneer these itself with regard to its own needs. There is also the possibility that a library and day care centre will be provided at the site.

The developer said that flashing lights (signs) will be kept to a minimum in the shopping mall; also car parking facilities will be more than adequate with 5.5 stalls per 1,000 feet of the gross feasible land area.

It is hoped that the shopping mall can become a bus terminal interchange point if the bus terminal can be relocated from Gervais Road.

Traffic peaks at the new mall are put at 2:30 and 8:30 p.m.

If the shopping centre is

approved there is the definite possibility it could be ready by May 1977 or earlier.

Because a number of sites have already been proposed for regional type shopping centres in St. Albert with a series of input meetings from the public, the point was raised that the town did need something better than what is has now.

Fear was also expressed that there might be so much hassle over which site should be chosen over another "that we end up with nothing."

If the town did end up with nothing, one St. Albert resident said that would please him. He could not see the point in having this particular centre being built when there was one down the road only 10 minutes drive away. However he did admit that if the right site could be chosen, he would not be against regional shopping centre development. But he pointed out that he had come to St. Albert 13 years ago and

Continued on page 2.

Service inspiring for 500 young people

500 young people of St. Albert heard Richard Fowler speak on World Friendship at the Scout-Guide church parade held Sunday afternoon in the Catholic Church.

Mr. Fowler who is a past St. Albert District Scout Commissioner, and past assistant Provincial Scout Commissioner, told the gathering that the word friend means to love, and to live to share and care. He said that Scoutings youngest members the Beavers, promise to "Love God and help take care of the world." He pointed out what a different world we would have today if that was everyone's theme.

Miss Jean Telfer, a ranger, was mistress of cere-

monies.

Father Al Roy gave the Invocation and Benediction and received the Flags which were presented by a colour party representing each company and pack in the St. Albert area. Father Roy was assisted in this by Commissioners of the Scouts and Guides, members of the Group Committees, Camp Committee and Local Associations.

The music was beautifully led by the "Good News" with organist Mrs. Louise Lukay. The Scout-Guide Association appreciate the contribution of this group in helping to make this years service so meaningful.

Continued from page 1.

30% of the construction cost of a municipal single-purpose facility. St. Albert is eligible for a grant for a regional multi-purpose facility and a regional single-purpose facility, as the town is considered as a region under the government program.

Three alternatives were sited the complex. The sites are: the former rodeo grounds, a site on Sir Winston Churchill Avenue between Cunningham Road and Fairview Boulevard, or a split siting involving the addition of an indoor pool to Paul Kane High School with the remainder of the facilities constructed on the former rodeo grounds. Facilities to be included within a complex would likely include an indoor pool, ice arena,

cultural area, auditorium-gymnasium, and an administrative area. When the facilities are split (as would be the case in the third alternative for siting) a 50% provincial funding would apply for the multi-purpose facility, and 35% provincial funding of the swimming pool addition to Paul Kane School.

Mr. R. L. Byron pointed out that time is a factor because if the project is to be possible for St. Albert is dependant on the receipt of the \$100 per capita Provincial Grant. He pointed out that the grant program is a 10 year program with about \$20 million total grants in each year allocated for distribution in the province. Mr. Byron noted that it is imperative that St. Albert "appear at the minister's

Rec Complex

office at the earliest possible date to ensure that the grant will be made available in light of the allocation of the grants on a first come-first served basis. The grant program commences on April 1st and that date is also the deadline for submitting proposals to the Minister of Culture, Youth and Recreation if a municipality wishes to have an early spot in the line-up of those seeking grant assistance.

Mr. Byron explained that the "Project Management route" would be pursued to facilitate an early date for the completion of the facilities. The project management route means that drawings and specifications are being prepared while the building

is underway. Mr. Byron stated that an estimated two months would be available for public input; preliminary design would take about four months, working designs, specifications and tendering would take place over a period of nine months; and the construction period is estimated to be about 13 months. Mr. Byron cautioned that construction of the complex would have to commence this August or September to assure the project would be completed by fall, 1976.

Mr. Don McCoy, architect with the firm Phillips-Barratt Engineers and Architects, provided a number of alternative facility combinations for the proposed complex. The firm Phillips-Barratt has undertaken several recreation projects including the Edmonton and Pacific Coliseum and the Lethbridge Sportsplex which housed the Canada Games. Mr. McCoy stated that his firm has also been involved in the designing of many smaller community facilities.

Mr. McCoy provided several grouping alternatives of the facilities to be included within the complex ranging in price and size with sketches to illustrate. The range was from about \$2.5 million to around \$6 million with the average and preferred cost at about \$4 million. The average facility he said would include a 1,500 seat arena, a 25 metre indoor pool, a 70' by 110' gym, three arts and crafts rooms, administrative area, etc. at

an approximate cost of \$3.94 million.

Questions were entertained from the floor and concerns were expressed regarding the costs, safety, and sizes of the various siting alternatives, the nature and size of the various components of the complex, and the impact of the choice of facilities and site on the community and the neighbourhoods in which it would be located.

Mr. Byron answered one question regarding the cost of the sites by stating that he anticipated a nominal cost either for lease or purchase in terms of all the sites. Mr. March explained that the site on the Oblate's property covered 25 acres with an allowance to be made for eight to nine acres of parking. A comparison with the second alternative (near Paul Kane School) which is located within a residential area was made in terms of the impact of a complex on the surrounding neighbourhood. The Oblate property would have less residential impact.

A member of the audience expressed concern regarding the safety factor of the Oblate's site, located off the highway, in terms of persons biking and walking along that route to get to the facility.

Mr. Gish, superintendent of School District #6, urged that consideration be given to the Paul Kane School site because the site already is in the possession of the taxpayers and there would be no need to pursue leasing which may be subjected to change in the future.

A resident of Grandin Park expressed that the Oblate's site would be preferred due to its central location although it was equally as far from the districts of the town as the Paul Kane School site.

A resident asked how the future needs of the community would be filled and was told that the major facility was intended to fill the general need of the community now and in the immediate future. He was told that as the needs materialized, district facilities would be developed to supplement the major facility.

Mr. Lorne Wood told the meeting that he felt that he could take a major recreational facility in his own neighbourhood and was interested in discovering how many other residents would feel the same.

A motion was made by Mr. Jim Ballentine (seconded by Mr. Jim Kelly) that a vote be taken on which of the three siting alternatives was preferred. The result split the group into three nearly even camps, each favouring one of the siting alternatives. About 30% of the audience left the meeting prior to the vote being taken.

Mr. Bjornson noted that the comments and concerns expressed at the meeting were being recorded and would be taken into consideration when a decision would be made.

At the committee meeting Monday night initial moves were taken to hire a project-manager pending satisfactory negotiations. The firm of Phillips-Barratt is being considered.

downtown re-development

Continued from page 1.

Mayor Plam reminded the committee that it was not his intention to make the mistake in planning of the U of A "placing a Chinese pagoda next to Victorian brick" and said that architecture would

be complimentary rather than contrasting.

Mr. Byron commented that "fundamental things" have already begun to happen in the downtown area - new police facilities, health

unit, senior citizens' centre, and he stated that the town centre is gradually moving into the category of a 'community oriented centre.' Mr. Byron pointed out that the architecture of the civic centre will set the style of the remainder of the buildings in the area. Location of the civic centre would either be across from the existing centre (Sir Winston Churchill Avenue) or on a lot behind the Bruhn Inn near the river which is the preferred site.

Mr. Gordon, town planner, said that a number of locations in the core area had been examined. The river bank area, he said, would lend itself more to the public use concept favoured for the civic centre.

Coun. Thronson moved the recommendation regarding the study to determine the square footage required for the complex and the motion carried 7 to 0. Coun. Smith moved the recommendation regarding the competition which will be open to all Alberta Architects; the motion carried 7 to 0.

Mr. Byron's report on the development of downtown St. Albert reports that only with a concentrated effort minimizing delays would it be possible to complete the project within two years "and in all probability, with a decision being made today, fruition would not result until three years." Even with a speedy, three year completion projection, Mr. Byron feels that immense pressures will be felt by the town's internal accommodation requirements. "It will become more difficult," the report states, "without leased accommodation which will fragment the departments of the town, to fulfill staffing and space requirements."

Shopping Centre

Continued from page 1.

had been paying high taxes to avoid being crowded around by this type of development, gas stations and "no blade of grass between here and Edmonton."

Other voices raised in protest said there would certainly be traffic congestion at the intersection as people made the left turn to get into the mall. It was felt a detailed traffic study was

needed and the developer agreed with this pointing out that this was largely the town's responsibility.

In answer to an allegation that the developer was only interested in the buck and the shopping centre was not needed anyway, Mr. Leckie replied that their marketing studies indicated entirely the opposite, that St. Albert did need such a facility.

Mr. Leckie also said that the heritage aspect of the development would not jeopardize the Father Albert Lacombe Museum extension and there was already a big collection of antique items that could go into the new centre.

Seniors enjoy 1st whist party

It seems that every other week the senior citizens of St. Albert are given some gift for their recreational centre. This last Thursday it was a bingo machine and a lamp from the Community League. Mr. Henry Terrault, Mrs. DeChamplain and Mrs. DuBois presented the gifts and also visited for a little while.

Mrs. Van Tighem, our oldest member, and our present president Mrs. Alice Kemps received the gifts.

We must also thank Mr. and Mrs. E. Laplante for having provided us with some whist score cards.

We had a nice reunion on February 20, although many things went wrong; like not

enough coffee, dishes, tablecloths and so on. There were 35 members including Mrs. Barnett and Dr. Cuijs.

Whist was played with enthusiasm. The highest scores went to Miss A. Leblanc and Mr. Ph. Morin. The consolation prizes went to Mrs. M. Lafleur and Mr. Renee Martin. Mr. and Mrs. Szuba got the door prize.

Everyone seemed to have a good time.

Our next card party is to be on March 6th at 1:30 p.m.

DOMINION BRIER playdowns here we come; so say [from left] Tommy Reed, Kevin Byrne, [centre] Ernie Jamison giving a good send off from the Government], Tony Rankel and Lorne Reed. Last Saturday night was a great one for the boys. They received congratulations from champion curler Hec Gervais, a bottle of whiskey each from Nancy Whalen, vice-president of the St. Albert Curling Club, a suitcase each from president of the SACC Brent Hodgins, pins from the Government of Alberta and a plaque each from the Town of St. Albert presented by Mayor Dick Plain.

AROUND TOWN

Premier Lougheed dropped in at the P.C. Headquarters on Grandin Mall at noon on Saturday - part of his city headquarter's tour. He met everybody present, noting that he was glad to see the young people, and took the opportunity to speak briefly on the campaign, reminding the Conservatives that while recently attention has been focused on energy issues, there are many other important concerns. He said he enjoyed campaigning and from his trim fit appearance it is apparently agreeing with him

Black purse figures in bright story

There's so much news which is gloomy or just downright indifferent these days that the Gazette is offering space for anyone to send in some good news for a change!

And just to set the ball rolling our gal at the Gazette office, Ethel Ward, gave us this heartening item Monday. Kind of warms your heart.

Mrs. Ward said she was out shopping at Safeway last Friday - she'd been out shopping all afternoon as it happens - and was getting a trifle harrassed by 6 p.m., when she realized that she still had to get home to make supper in time to spend an evening out.

While at the Safeway store, Mrs. Ward left her black purse in a shopping cart - by mistake of course.

It was not until 8 p.m., that she realized her black purse was missing. But she need not have worried. For some good citizen who has yet to identify himself, had handed in the lost goods to the Safeway office for safekeeping. The person not having left a name, it is hard to make a personal thank-you, but Mrs. Ward said Monday that she extends a warm personal thanks anyhow and would like the person to contact her, she is so grateful that her purse was found. It would have been so easy for the purse to have been pocketed or the money stolen - there seems to be so

much crime around these

days.

To some anonymous person's eternal credit, the purse was duly handed in to the authorities.

identified flying objects.

They are nothing of the sort. They are the planets of Venus - the brighter one - and Jupiter. Now they are getting further and further apart after they came into conjunction February 17. One thing you may have noticed is that because they are planets and not stars they glow and do not twinkle; also they do not follow a predicted course. Hence their name, planets - or wanderers.

Tax Talk Penalties severe

From the Institute of
Chartered Accountants
of Alberta

The Income Tax Act provides, in a number of areas, the tax collectors with the authority to impose a variety of penalties on taxpayers committing offences against the Act.

The Canadian income tax system relies on honest self-assessment by taxpayers. The "big stick in the cupboard" is rarely used unless a taxpayer obviously fails to comply with the law.

Apart from the rather ominous statement that "it is a serious offence to make a false return" which appears on the tax return, the only specific penalty referred to on the return is a penalty of five per cent of the unpaid tax and Canada Pension Plan contributions for failure to file on the due date of April 30.

The penalties themselves range from amounts of \$25 or less up to substantial amounts plus imprisonment according to the nature of the offence.

As more and more taxpayers are turning to other persons for assistance in preparation of returns, it should be noted that the Income Tax Act also provides for a broad range of penalties covering offences by third parties.

Any person preparing or assisting in the preparation of an individual's return for compensation is now required to disclose that fact on the face of the return.

Revenue Canada has a special investigation division whose main responsibility it is to investigate suspected cases of tax evasion. Any taxpayer confronted by the special division will find that sympathy at the time is a rare commodity.

Can't trust anyone

I would just like a little space in our local paper to express my feelings over an incident that happened the other night.

We were skating as a family last Wednesday at the Sturgeon rink. They're were only three children there at the rink. We thought how nice it was to nearly have the place to ourselves. It was such a lovely warm evening, the children gave me, their mother, their mitts to care for. But needing both my hands free much more than the kids, put the mitts down in the shack with our boots, a beautiful navy blue pair of long skidoo mitts and a tiny pair of baby blue mitts which matched my daughter's skate covers.

When we were ready to leave --- No Mitts --- already snatched by some quick light-fingered kid. I say

quick, for between all of us, we had been in and out of the shack quite often.

It's not the value so much that has me upset, it's the fact you can't trust anyone anymore. And I'd like to say, it's bad enough when kids swipe things, but the parents who seem to condone these small thefts by letting kids keep them, and simply not saying anything when kids do come home with things that parents know don't belong to them.

So if the kids that swiped my kids' mitts, would be good enough to simply bring them back to the Sturgeon rink shack, either give them to the caretaker or put them in the "lost and found" box. This surely would renew my faith in the people of St. Albert.

Mrs. S. Cherkas
Sturgeon Heights.

How much must we give?

My family and I have lived in St. Albert for the past six years, during which time we have enjoyed the community and most of its activities. We, as a family, have done our best to help all of the projects taken on by the service clubs of St. Albert, together with helping the Scouts, Cubs, Guides and Brownies. I personally thought people were being cheap when they did not dig into their pockets to buy a ticket for a draw or a box of candies or peanuts. - But, in the past year I have changed my mind.

As a resident of St. Albert I have been hit by every service club and childrens

organization in the town (and some from out of town). And now according to the Feb. 12th issue of the Gazette we learn that yet another service club is descending upon St. Albert, just how much are the people of our town expected to give?

I feel it is time that all of these hard working clubs and organizations, pooled their efforts into one or maybe two joint ventures to raise the necessary funds for their projects, and please do not make our children compete against each other for bribes, offer them only your thanks.

Dick Gare,
Forest Lawn.

re: Phone Calls

In response to Mrs. Borloi's letter to the editor of the Gazette on February 19th.

At the February 3rd meeting of School District #3, when Trustee S. Walsh asked if any trustees had received phone calls from the electors (in connection with the vandalism at Albert Lacombe School) I had responded in the affirmative (obviously unnoticed by the press).

For anyone who is interested, the calls were both for and against laying charges. My apologies for not having corrected this error in report-

ing in last week's Gazette.

Elsie Lockert.

Mrs. E. Lockert is normally quite audible. A verbal reply to Mrs. S. Walsh's question concerning telephone calls was not picked up by the reporter or the tape recorder. If she made some other affirmative gesture, she did not take the opportunity to clarify it verbally and left the impression that she received no calls in connection with vandalism.

Sheila Cooper,
Gazette Reporter.

Doing His work

World Friendship day was celebrated by a very impressive group of children, representing Beavers, Cubs, Scouts, Guides, Rangers and Venturers in our "Church on the Hill" this past Sunday.

When Father A. Roy prayed stating "God has no hands nor help to do His work," there was no doubt that here were some people who would be helpful in doing "His work" today and in the future. Mr. R. S. Fowler spoke to the group and asked if we were friend or fiend. We are such an advanced and intelligent society yet we sit and watch twenty thousand people die daily from starvation because we can not co-operate and produce food for the world. Is it any wonder that a UFO has not landed and attempted to make contact with us when these atrocities are taking

place. We must leave the R in friend he begged. We have a great need for each other and must work together sharing and caring. He hoped his message would not be short termed but would linger on in our minds in years to come.

For all of us present it was a joy to see so many young people involved. I'm sure the messages these two men expressed would be fulfilled by these youths. Lets hope that here lies some of the answers for our future.

JoAnn Symonds,
Editor of "Tamarac
Guiders Mouthpiece."

Council Considers Seniors' accomodation

A recommendation to council that approval in principle be given to accommodation for senior citizens in the Town of St. Albert was made at the committee on Monday, Feb.

4th. The motion carried 7 to 0.

In late 1974, a petition was handed to the mayor by Mr. Ernie Jamison, M.L.A., petitioning for a senior citizen's lodge in St. Albert. One hundred and fifty persons

signed the petition, the majority of whom were resident in St. Albert and others from surrounding district.

A report on Senior Citizens' Housing prepared by Mr. R. L. Byron, town administrator, circulated to

the committee of the whole states a meeting was held with a representative of the Alberta Housing Corporation to discuss the means whereby an application could be made for a senior citizen's lodge. Suggested was that as a contributing member to the Sturgeon Foundation, St. Albert could work through the foundation to establish the lodge. Also noted was that St. Albert could withdraw from the Sturgeon Foundation and establish a foundation of its own in light of the town's growing needs. To withdraw from the Sturgeon Foundation would require the unanimous, or possibly majority agreement of the Foundation.

A Foundation is set up by an Order in Council at the Provincial level and is an autonomous authority which can requisition the contributing municipalities to offset any deficit of operating costs incurred. Under the present status of St. Albert, as a member of the Sturgeon Foundation, the more lodges within the MD of Sturgeon, the greater this municipality's contribution to the operating cost deficit.

The Sturgeon Foundation has been operating since 1962 and in the past two years had a deficit of \$20,000; \$12,000 of this figure was the St. Albert contribution.

Mayor Richard Plain moved that the committee of the whole recommend to council that a report be prepared to indicate the procedure to be

followed to withdraw from the Sturgeon Foundation. This motion carried 7 to 0. Mayor Plain pointed out that St. Albert's membership in the foundation 'costs money' with relatively little benefit being received by the town.

Regarding policies and procedures of the Senior Citizens' Housing Program, material supplied by the Alberta Housing Corporation indicates that there are two types of accommodation available - lodge facilities and self contained units. The material describes lodges as functioning as a hotel-type accommodation and providing a full slate of room and board facilities. The self contained units are provided in the form of apartment style accommodation with all suites equipped with a full

range of kitchen and dining facilities.

Location of senior citizens housing, according to Mr. Byron, could best be served on Mission Avenue, "which would overlook the Sturgeon River . . . and make an attractive river front area allowing and encouraging public access. "The Mission Avenue site is favoured because it is close to the facilities offered in the downtown, such as the medical clinics and shopping facilities not to forget the recreation centre all of which are very much desired by the senior citizens," Mr. Byron relates to his report.

Further details of the proposed Senior Citizens' Accommodation will be included in the report requested Monday night.

Liberals announce nomination date

A Liberal nominating meeting for St. Albert constituency will be held Tuesday, March 4 at 8 p.m. in the Legal Recreation Centre. The meeting is open to all members and memberships will be available at the door. Dick Wheatley, president of the St. Albert Liberal Association will chair the meeting.

St. Albert constituency was represented by nine

town and district people at the Alberta Liberal convention held Friday, Saturday and Sunday in the Palliser Hotel, Calgary: Dick Wheatley, John Bakker, Bob and Joanne Russell and Gerald Torpy from St. Albert, Hugh and Jessie Rigney of Bon Accord, Lou Calder and Jack McRae from Morinville.

Guest speaker was Premier Gerald Regan of Nova Scotia and Mr. Wheatley reported that the convention was a great kick-off for an election campaign.

Mr. Regan told the convention that Western Canada deserves more money for a decreasing oil resource, but felt that oil prices should not increase to the international level. He said that if domestic oil increased to \$8.50 per barrel (a \$2 increase) after the April first minister's conference in Ottawa, it would cost the average Canadian family \$125 more per year. He also stated that oil companies should receive more money to explore and produce new energy reserves.

District 3 to get report on vandalism

Dr. W. Zielinski, superintendent of District No. 3, announced that he would be making a public statement in connection with the recent vandalism case at the next meeting of the school board. His announcement came in reply to questions posed by Trustee Sylvia Walsh as to whether the special committee had yet reached any decision at the board meeting held on Monday, Feb. 17th. He said that at this

time he had nothing to report. Mrs. E. Lockert requested that the decision be laid to whether charges be laid given in camera and "not go to press." This suggestion was not taken up by the board. Dr. Zielinski clarified that he would not make a complete report but would make a public statement regarding action taken.

Albert Lacombe School sustained more damage due to vandalism over the week-

end. This information came to light when a trustee questioned the secretary-treasurer, Mr. Baldwin on the matter. Mr. Baldwin informed the board that windows were broken by persons unknown and that they are presently being replaced. No dollar value of the extent of damage was given.

HIGH SCHOOL FOOTBALL

Mr. Rudy Scheibelhofer was present at the meeting at the invitation of the board. He had been asked to attend to make his presentation for financial assistance for a high school football team. He explained that he had already approached District No. 6 with the idea of having a joint football team which would make savings in shared costs. (Subsequent to this meeting it was reported in the February 19th issue of

the Gazette that District No. 6 had turned down Mr. Scheibelhofer's proposal.)

Mr. Scheibelhofer estimated the cost to be about \$5,000 initially with a further \$1,000 a year maintenance costs. He said that coaching and managing would be provided at no cost and that the boys and parents involved would provide their own transportation. As there is no football team in St. Albert for boys who were in the bantam

league last year, Mr. Scheibelhofer considered the cost of keeping 32 boys occupied was well worth it.

Mr. Scheibelhofer was informed that the board would discuss his request with the high school personnel and Chairman Steve Sieben thanked him for attending the meeting.

Under the heading of Chairman's report, Mr. Sieben encouraged all the board members to attend the joint board meeting on Thursday, February 20. He reported that the winner of the Education Week essay for District No. 3 is Jody Gabourie, a grade 6 student from Albert Lacombe school. The subject undertaken by Jody for her essay was "My Ambition."

The board heard a report that the St. Albert Parish Kindergarten are likely to require more space than they have at present because of a desired smaller pupil/teacher ratio and also because of the proposed bilingual kindergarten.

Dr. Zielinski reported that Mr. Mel Bosch had been recommended for the position as vice-principal of Father Jan School. The appointment was made and motion carried and will come effective in September, 1975.

The next board meeting will be held on Monday, March 3 at District offices at St. Vital Avenue commencing at 7:30 p.m.

Inter-club Council formed in St. Albert

A group of 11 representatives representing six local organizations met February 2 to discuss pros and cons of forming an inter-club organization for purposes of keeping each local club informed of the activities of the others and exchanging views. In addition such a group could provide a useful medium for obtaining feed-

back from all local clubs on subjects of overall concern.

The meeting resulted in the formation of the St. Albert Inter Club Council, which will hold its first meeting on Sunday morning (March 2) at 9 a.m. Breakfast is at 9:30 a.m. at St. Albert Inn.

Mr. Don Parkin of the Lions Supper Club acted as

chairman for the organizational meeting, when the following organizations were represented: St. Albert and District Chamber of Commerce (Dr. Wm. Cuts and Fran Beaudoin); St. Albert Breakfast Lions (Tom Flynn and Gene Scanlan); Progress Club (Stan Anderson); Knights of Columbus (Don England); St. Albert Lions

Supper Club (Ted Smithman, Don Parkin and Bill Jones); St. Albert Branch, Royal Canadian Legion (Wally Swenarchuk and Reg Bremner).

After making the decision to form an inter-club council, all representatives present agreed that the council would grow slowly and collectively as a liaison group for reaching all clubs and re-

viewing their views. An open invitation to join the council was sent to all clubs and organizations in St. Albert.

The meeting decided that three officers would serve on a six-month rotation basis and voted in Don Parkin as chairman, Stan Anderson, co-chairman and Fran Beaudoin, secretary. First term will run from January 1st to June 30, and for purpose of continuity the co-chairman will move up to chairman.

A motion carried that each member request his respective club to contribute \$10 for annual dues to cover incidental expenses. The group will also request placing on the mail lists for those clubs who put out news letters or bulletins, minutes of council bulletins, and minutes of council meetings will be sent to each member.

The Lady Lions of St. Albert held their ninth annual Sweetheart's Ball at the Club Mogambo last Friday evening. Highlights were many.

A Queen for the evening was drawn for and Maria Klein was the lucky lady - she was crowned with the royal tiara by Lion District Governor Russ Forsythe, and

received a lovely bracelet donated by Sweetheart Jewellers and a sweetheart rose corsage from Lady Lions. Frank Kato, a recent acquisition from the Prince

George, B.C. Lions volunteered to oversee the activities and showed up as "Stupid Cupid" dressed only in a large diaper and carrying a bow and quiver of arrows with which he persuaded couples to demonstrate their affection.

In honour of the Lady Lions 10th year in St. Albert, Mistress of Ceremonies Dodie Kimball introduced past presidents of the club, and those who were present were congratulated warmly by Lion Deputy District Governor Dr. Cuts and presented with souvenir spoons. Those honoured included charter president Fran Letourneau, Terry LeBlanc, Dodie Kimball, Cindy Ryley, and incumbent Elsie Snider.

Dancing to the fine music of the "Good Vibrations" lasted until 1:30 a.m., with time out for a delicious midnight smorgasbord.

Craft Guild offers weekend workshops

The Arts and Crafts Guild held design workshops under the excellent leadership of Mrs. Margaret Tewison this past weekend, one of several weekend workshops held since January 1st that have met with such success. More weekend workshops will be held this spring as a result. Ideas for spring workshops include spinning and dyeing, batik, raku and primitive firing, pottery, macrame, primitive weaving, Ukrainian Easter Egg decorating and basketry.

If you have any other ideas or suggestions regarding workshops, please let the Guild know: call Lois Folkins at 459-7744. Plan to spend a creative weekend involved with a favorite craft; watch the Gazette for further information.

All you'll want to know about indexing

From District Taxation Office

The most obvious effect of inflation is that your money buys less. Normally, if your income increased by 10 per cent and the cost of living rose by the same amount, you'd be enjoying no increase in purchasing power; in fact, you'd be paying

income tax at a higher rate. To reduce the effect of this situation, Parliament approved a scheme called "indexing" in 1973. It came into effect in the 1974 taxation year, and the system will be adjusted once a year, on January 1. By adjusting personal exemptions and tax brackets in accordance with

the Consumer Price Index, you now pay tax on your salary at a rate that takes inflation into account. Under indexing, the tax you pay is less than it would have been without it. As a result of indexing, the basic personal exemption of \$1,600 was increased to \$1,706 for 1974 and \$1,878

for 1975; the exemption for a married person supporting a spouse rose from \$3,000 to \$3,198 for 1974 and \$3,522 for 1975; and deduction for the aged and disabled of \$1,000 increased to \$1,066 for 1974 and \$1,174 for 1975. In addition, the maximum exemption for dependent children under 16 rose from

\$300 to \$320 in 1974 and \$352 in 1975, while for children over 16 the corresponding increase was from \$550 to \$586 in 1974 and \$646 in 1975. As well as the increased personal exemptions, indexing also raised the tax brackets on which each percentage of tax applies. Fortunately, you don't

have to be bothered making these calculations yourself: they are done automatically by Revenue Canada, Taxation's computer and are reflected in the tax forms issued by the Department.

The adjustment for 1974 or any subsequent year is obtained by dividing the average Consumer Price Index for the 12-month period ending the preceding September by the corresponding average for the 12 month period ending September 30, 1972, the base period.

The averages used in the 1974 calculation were 147.00 and in the 1975 calculation were 162.092, with 138.025 for the base period. If you can figure this out you'll see that the major personal income tax exemptions and the tax bracket limits for 1974 were raised by 6.6 per cent and for 1975 were raised by 17.4 per cent over the basic amounts, a 10.1 per cent increase over 1974.

If your tax is automatically deducted at source by your employer, you began benefiting in January, 1974 from these increased exemptions and tax bracket changes. This means you won't have to dig deeper in your pocket for the tax department if all you're doing is keeping pace with inflation.

Canada Cord award night

DEIDRE DORRAN, MARIE LOUISE SORESENSEN, and Carolyn Seitz (from left) all of the 1st St. Albert Guide Company were awarded the highest guiding award in Canada last week - the Canada Cord. Thirty people attended the ceremony at the Leo Nickerson School to congratulate the girls on their achievement.

February 18, the 1st St. Albert Girl Guide Company

presented three Canada Cords. The recipients were

Deidre Dorrán, Carolyn Seitz and Marie-Louise Sor-

enson.

A Canada Cord is the highest award a girl may earn in her guiding years. It is an award which marks a level of achievement on a variety of subjects. It is usually accomplished over a period of three or four years.

A Guide receiving her Canada Cord has learned guiding history, practised good homemaking and learned to be prepared by earning badges such as first aid and emergency helper. Health and physical fitness have been a part of her daily activities. Hiking and camping have given her an awareness of her environment.

She may also have earned emblems in areas of special interest to her such as religion in life, fine arts, crafts or aquatics.

The citizen badge she holds has required her to learn the workings of our

Canadian government and the responsibilities of a good citizen.

She has performed a service project of her own choosing with a minimum of 15 hours of service.

She is an interested person and her Canada Cord certifies this.

Present for the ceremony were Area Commissioner O'Hara and Division Commissioner Whittle. Guests included parents and relatives, the girls' former guides and friends. District Commissioner Smith presented the cords. The St. Albert Rangers were there to receive Carolyn Seitz into their company. Deidre and Marie-Louise will continue their guiding within the 1st St. Albert Guide Company.

Lunch was served by the District Local Association.

Senior citizens can take heart

Revenue Canada, Taxation has produced a revised edition of its booklet "Income Tax and the Senior Citizen." The booklet explains what income is taxable and what isn't, briefly goes into the tax implications of income-averaging annuity contracts and provincial property tax credits, and tells the reader where he may go for extra help or explanation.

This is only one of the ways in which the federal tax department is reaching out to

make the business of filing an income tax return easier for the elderly.

For the past two filing seasons, Revenue Canada, Taxation has been instructing voluntary community groups to help elderly taxpayers complete their income tax returns.

The need to help senior citizens became apparent when Taxation became the administrative agency for issuing tax credits on behalf of certain provinces. (There

are now three involved: Ontario, Manitoba and Alberta.) This meant that senior citizens who weren't taxable and would not otherwise fill in an income tax return now had to complete one to get their provincial rebate in Ontario and Manitoba.

Previously, these citizens, along with other renters or homeowners, had received a tax credit in the form of a cheque from their landlord or in reduced municipal bills.

Taxmen realized that unnecessary anxiety could result to senior citizens, many of whom hadn't seen an income tax return for years.

Following discussions with the provincial governments involved, staff in some District Taxation Offices sought out senior citizens groups and suggested that together they might call upon volunteers to help.

Last year more than 500 volunteers, most of them representing community groups, were given short courses by Taxation District Office staff in completing income tax returns so they in turn could help senior citizens in their area. Helpers, ranging from students to senior citizens, went to local halls and to homes of the elderly to help with the annual chore. This year, the self-help program should be even more vigorous.

phone books off at the school (there will be a box in the NW front entrance). Students will be going door to door collecting old telephone books from many residents in the areas of Mission, Lacombe Park and Grandin so please don't throw away your old telephone book until March 16 if you live in these areas. For further information phone the school (459-4478). Thank you for your co-operation.

In 1969 the Federal Forestry Branch was renamed Canadian Forestry Service.

Town will retain school portion of supplementary tax

Disappointed trustees of the St. Albert Public School District No. 3 learned that the district will not receive the supplementary assessment from the Town of St. Albert. This news was revealed at the regular board meeting on February 17 by district secretary-treasurer, Ted Baldwin, who reported on the contents of a letter from the town administrator on this subject.

The board had been waiting for the decision as to whether it would receive the supplementary assessment since October last year. Apparently, the town has the option of passing the assessment on to the board or of retaining the money. Al-

though the amount of money involved was not known, it was thought to be substantial.

The letter from the town explained that there is no legal requirement for the town to pay the board additional monies collected pursuant to a tax levy on supplementary assessment. The town had sought legal opinion to determine liability, if any, which council and/or its individual members may be exposed to, if found to be in default of legislation which does not recognize such payments. The legal opinion obtained by the town pointed out that a municipal corporation must be able to justify payments of

funds under legislative authority. A voluntary payment made by a municipality to a school board was believed to be outside its legislative obligations and, therefore, illegal and it might render the council accountable to the town's ratepayers.

The question arose when the town levied taxes on new

homes constructed during the year for that portion of the year that the homes were occupied. This was allowed in May, 1972 by new provincial legislation. Formerly such homeowners paid no taxes until the following year. The town assessed these part year taxes for both municipal and school pur-

poses and retained the entire amount of the levy.

The Gazette asked Mayor Dick Plain for further explanation. Mayor Plain remarked that his council requested a legal opinion from their solicitors and were informed by them that the act didn't spell out that any portion was intended for the boards and therefore the town was not required to turn over the school supplementary portion. The mayor also said that new arrangements with developers included close liaison with the two school boards with regard to future school sites. He noted the most recent development agreement signed by the town included a school site for the nominal fee of \$1.00,

pointing out that raw land value in the town limits was valued at approximately \$14,000 per acre. Whether the two boards will accept the decision of the town or seek their own legal status remains to be seen, but the mayor feels the issue is closed.

Interviewed on his position, Ernie Jamison said he was of the firm opinion that monies collected on a school supplementary basis should be turned over to the school boards who face high supplementary costs. "I am most pleased however that town council is assisting with land costs for schools as they enter into development agreements," Mr. Jamison added.

Book Fair has great selection

The annual Book Fair will start on Sunday, March 2 this year. As usual, the fair will be held at Sir George Simpson School.

Organizers of the fair are excited over the wide selection of books which will be on sale. They have a large selection of best-sellers and sets of books which will make useful and lovely gifts. The range includes adult and childrens books and it features authors such as Norman Hunter, Tove Jansson, Marjorie Morgan (author of "Packy") and Monica Hughes, (author of "Gold Fever"). The two latter books were written and published in Edmonton. Puzzles, Mad Magazines and Charlie Brown stories will also be on sale.

A first for the book fair is the inclusion of French language books by Gisele Laliberte Bezenar, a resident

of St. Albert. Gisele's books are being used in many school systems throughout Canada and the United States.

All books are reasonably priced. Old books and comics which sold new for prices up to 75 cents are priced at 10 cents. Old books originally priced over 75 cents will sell for 25 cents. New books will be individually priced.

Book donations to the fair are still being accepted and pickup may be arranged by phoning 459-3606; 459-7241; 459-7494. Alternatively, you may wish to take your donation along to the fair with you.

The fair will open from 1 p.m. to 5 p.m. on Sunday, March 2 and continue from 1 p.m. to 9 p.m. on Monday, March 3. You are cordially invited to come along and browse and maybe purchase a book or two.

BILLBOARD

WEDNESDAY, FEB. 26 - 6:30 to 8 p.m. Mini-Mite Soccer Trial practice - gym of Sir George Simpson School.

SUNDAY, MARCH 2 - Horse Show at Equestrian Manor. Everyone welcome. Commences 9:30 a.m. - 4:30 p.m.

SUNDAY* MARCH 2 - St. Albert Inter-Club Council breakfast meeting. St. Albert Inn - 9 a.m. [breakfast served at 9:30].

SUNDAY, MARCH 2 - Book Fair at Sir George Simpson School. 1 - 5 p.m. Continues Monday from 1 - 9 p.m.

MONDAY, MARCH 3 - Catholic School Board meets on Board offices on St. Vital Avenue - 7:30 p.m.

THURSDAY, MARCH 6 - Senior Citizens Card party. Seniors Rec. Centre - 1:30 p.m.

FRIDAY, MARCH 7 - at 7:30 p.m. "World Day of Prayer" worship service, Braeside Presbyterian Church.

SATURDAY, MARCH 15 - 3rd annual Shamrock Festival by the Sturgeon General Hospital Auxiliary. 9 p.m. Tickets at \$10/couple from 459-8496 or 459-4515.

Air Cadets involved in special activities

St. Albert's 533 Air Cadet Squadron conducted a tour for 30 cadets to Edmonton's

CN maintenance yards last Thursday, in lieu of the usual Thursday night activities.

The tour was just one of many special activities that the Cadets have been involved in during the last week. Six Cadets who are involved in the Air Cadet's flying scholarship program embarked on a three hour navigation exercise from the Industrial Airport to Drayton Valley and Ponoka before returning.

Exams for sergeant promotions were held on Sunday, as well as a regular practice of the squadron's

competition drill team, which is held every second week, and also every Monday night.

The cadets will also be delivering St. Albert's AGT telephone directories as soon as they are received from the printers. A good turnout of

volunteer cadets is expected.

Future activities that are being planned for the squadron include the annual Parent-Cadet banquet, a trip to the Queen Elizabeth Planetarium, and a recreational weekend at Jasper for the entire Squadron.

Horse show March 2

A horse show will be held at the Equestrian Manor, March 2 - open to all horses and stables in the Edmonton area.

The show commences at 9:30 a.m. - 4:30 p.m., and a country style breakfast will be available in the newly renovated manor loft.

Contests will be held in the English or hack class, as well as western, hunter and jumper classes. The events will be held in the indoor arena and will be open to spectators.

All ages are welcome and there'll be no restriction on riders - they can be from novice to experienced rider. Parents are welcome at the show.

For further information call 799-3537.

REGULAR EVENTS

Mothers Day Out program operates Thursdays, 9 a.m. - 3 p.m.,

MONDAY - 7:45 p.m.
Camp Lacombe Bingo in Parish Hall.

WEDNESDAYS - Community League BINGO, Community Hall, St. Albert.

THURSDAY - 9 a.m. to 3 p.m. Mother's Day Out program. Bookings - 459-4534; Volunteers - 459-7476.

PARTY LINE

Tickets for the Fashion Show sponsored by Edmonton Opera Society are available by contacting June Leggett - 459-8802.

Anyone having used hard cover books, pocket books, magazines, comics or educational toys and puzzles is asked to contribute them to the annual Book Fair which will be held Sunday, March 2 in the Sir George Simpson School. Call 459-3606 for pickup. Proceeds go to Simpson and Ruade schools and volunteers do the plan-

ning and work involved.

A meeting has been planned in St. Albert on March 4 for Professional Engineers' Wives. At this time it is planned to elect a convener to attend regular organizational meetings of the Edmonton group. Any women interested in such a group in St. Albert are invited to call 458-2359 for further information about the social and interest events planned here in St. Albert, and with the Edmonton group.

St. Albert's mobile discotheque

You've heard of the snail which carries its shell on its back.

But you may not have heard of what might be a first for the town of St. Albert.

A mobile discotheque. Three St. Albert residents

in their early thirties and an Edmontonian have decided to go one better than a band and have put \$5,000 worth of disco equipment including a console on castors; they'll be able to whip it to wherever it's needed at a moment's notice.

Mrs. Gerry Schilder said that the mobile disco will be having its debut March 1st at the Edmonton Social Club. "We'll be putting it on ourselves," she said, and starting time is 8:30 p.m. at

only \$1. a head.

Mrs. Schilder said that her husband Tom, St. Albert resident Jake De Champlain and the mobile disco's disc jockey from Edmonton Leonard Van Der Neer got the idea for the mobile disco when they saw the limitations in bands—some were too expensive—particularly for young married couples—and did not always cater to the tastes of the audience.

"We decided to stop talking about it and do something about it," she said, and the mobile disco is the result. Even though the group has not yet advertised, they already have a booking for a hospital dance.

Even though the disco is not yet in business it offers a lot of music for the night. It can rock and roll and western as well as "heavier" beat.

The mobile disco has 800 records meaning a selection of 1600 sides; it can also be loaded into a trailer, taken out and set up, and at the flick of a switch "away you go."

The console has two decks meaning that as soon as one record is finished another one can be faded in. So there is never a moment when the music stops.

Mrs. Schilder feels the mobile disco will be great for big or small parties and can be hired out at \$200 a time, much cheaper than many a band.

The speakers for the disco are so powerful that the sound fills the room.

power, so it is damped turn the quarter volume.

Interest lacking for Home & School

On Wednesday, February 19 the Steering Committee investigating the possible formation of a Home and School Association at Albert Lacombe School met to discuss the results of a questionnaire that had been sent out through the school.

The questionnaire had

inquired if the parents favoured a Home and School Association, would they attend the meetings if one were formed, and would they be willing to serve on the executive of such an organization.

Approximately 60% of the questionnaires were returned.

and returned to the school. The results indicated that there was insufficient interest at this time to warrant the formation of such an organization. The Steering Committee wishes to thank all those who took the time to submit their questionnaires.

Education week at Lorne Akins Jr. High

The activities for education week at Lorne Akins Junior High centre around the "Bring the Community into the Classroom" afternoon that is being planned for Friday, March 7, 1975.

Each class in grades seven, eight and nine is arranging for speakers to

come into the classroom for the afternoon. It is hoped that parents, friends, community leaders, as well as many other personalities will be participating in our program. The program last year included topics such as: survival, policy dog show, karate, Synchrode photog-

raphy, skiing, Russian dancing, deaf education, Equestrian training and many others.

The students and staff welcome all parents to join us for any part of the afternoon program and for coffee in the library.

Board pays tuition for Bilingual program

Board of St. Albert School No. 3 will pay fees for all grade 10 students enrolled in

the French Bilingual program at Grandin and Picard Schools, who are not covered under an existing agreement. Payment for tuition fees was

made retroactive to September, 1974 and parents are asked to submit their receipts showing proof of payment.

Cultural committee sponsors 2 courses

The Cultural Co-operative Committee has successfully launched two of four proposed adult evening courses in conjunction with the St. Albert and District Further Education Council. The Conversational French course is well underway Tuesdays under the guidance of Mme. L. Mandin of Saint Albert, and the Creative Writer's course will begin classes on Monday, February 24. It will be ably taught by Dr. J. W. Chalmers, professor at the University of Alberta.

There has not been sufficient applications for the Cree, Basic English, German or Dutch languages. Anyone inquiring as to the preservation of their culture is asked to telephone 459-7030

or address a letter to Mrs. E. Lefebvre, 14 Grandville Avenue, Saint Albert.

World day of prayer

For the people of St. Albert and district the annual "World Day of Prayer" worship service will be held at Braeside Presbyterian Church, 6 Bernard Drive, on Friday, March 7 at 7:30 p.m.

Each year a different church in St. Albert hosts this service. It was previously called the Women's World Day of Prayer which did not mean that only women could participate or attend the service. In other

churches across Canada and in many other countries there will be similar services of worship. People of various Christian denominations gather to join in prayer.

Participants in this year's service in St. Albert will come from the Roman Catholic, Anglican, United, Baptist, Pentecostal, Lutheran and Presbyterian congregations. Guest speaker for this special event will be Bishop Gerald Burch of the

Edmonton Synod of the Anglican Church.

The theme of the service has been chosen by the Women's Ecumenical Prayer Fellowship in Egypt and is "Become Perfectly One." This theme is both the command of our Lord and His prayer for His disciples.

The prayer of Jesus invites us to a deeper quality of life, experience in perfect love and perfect unity in the Spirit.

A most cordial welcome is extended to all to come and join in an evening of worship and song to be followed by coffee and conversation.

JAMES BARRY - from the grade five class at the Albert Lacombe School gets cracking at some primitive weaving in time for Education Week, March 3 - 9 when primitive weaving projects by students at the school will be on display.

Library family films

Sunday at 2 p.m. the
Public Library's
Films

will feature several informative films on outer space. The films are all produced by NASA and include rare glimpses of Earth and other planets from actual space flights. The films to be shown are: **Mars - the Search Begins**; **The View of Space**; **Voyage to the Moon**; **What on Earth**.

Admission is free. Everyone is welcome.

Sunday, March 9, the Family Film program will feature the classic "Nanook of the North."

SPECIAL LIBRARY SHOW
ON CABLE 11

This week the St. Albert Public Library's weekly television show "Bookends" will include a special treat. A delightful puppet show about Jonah and the whale which was performed recently for a Scouts and Guides service at the United Church will be shown. On hand to enjoy this performance will be the children from the Sturgeon Playschool. Reverend Music will narrate the tale of Jonah. "Bookends" is shown every Thursday at 7 on Cable 11.

Arts event cancelled

The evening planned for this Thursday on the topic "The Role of the Performing Arts in St. Albert" has been cancelled. Persons interested in the topic are advised that Capital Cable is planning several shows on the subject

and invites citizens' participation and views. In addition, future town meetings on the proposed recreational centre would touch on the topic, specifically the need for a theatre facility in the town.

Begorrah it's
nearly that time
of year again

In keeping with its tradition of lots of fun at low prices, the Sturgeon General Hospital Auxiliary is planning the 3rd annual Shamrock Festival for Saturday, March 15. This event gets underway at 9 p.m., at the St. Albert Community Hall and many popular Starlighters will be providing the music. As in previous years, green brew, in honour of dear old St. Paddy himself, will be occasionally served. Tickets are priced at \$10 a couple for an all inclusive evening and they may be obtained from Shirley McQuitty, 459-8496, or Doreen Williams, 459-4515.

Confidentially, you don't have to be Irish to come along and enjoy yourselves.

Historical Society holds interesting banquet meeting

About 80 people enjoyed a most pleasant evening at the annual banquet meeting of the St. Albert Historical Society last Thursday evening when President Jim Parker acted as master of ceremonies. Seated at the head table were Mr. and Mrs. James MacGregor, Mr. and Mrs. Ernie Jamison, Father Holland, Mayor and Mrs. Richard Plain, Dr. John Chalmers and Mr. and Mrs. Parker.

An appropriate Grace, given with a touch of his delightful humour by Father Holland set the mood for the evening as the audience was treated to more wit and humour by Dr. Chalmers, who introduced the guest speaker, by Dr. James MacGregor and by President

Jim Parker.

Dr. Chalmers, who has known Dr. MacGregor a long time spoke of his books and the great assistance given him by his wife, Jim always includes in his careful research an actual visit to the locale of his books, he said. He has to "walk the ground" before he sits down to write. Presently finishing touches are being put to Dr. MacGregor's latest book on Father Lacombe.

In his address Dr. MacGregor spoke of his early boyhood on a homestead north of the Pickardville area, where his father's farm was the first in the district. He told of life and work on the farm, of the days before there was a school in the area and later amusing incidents

in the first school. And he remembered coming on the long trip by wagon to St. Albert, and later by the family car - a Star - which, lo and behold made the St. Albert hill - (the incline toward the present day weight scale) in high gear. This was the source of much bragging to the neighbours, said Dr. MacGregor. His entertaining talk pointed out the amazing changes in the district in only three generations. He was thanked by Mr. Parker who presented Dr. MacGregor with an 1884 sketch of St. Albert, on behalf of the Society.

Mr. Jamison and Mr. Plain spoke briefly on behalf of the Government and the Town, congratulating the Historical Society on the work being

accomplished.

Following the banquet the business meeting heard reports from the retiring secretary, Dorcas Gordon, the treasurer, Gordon Under and the president. Election of officers was conducted by Dr. Chalmers, and Past President Arlene Borgstede.

President Jim Parker, vice-president Lucie Herdman and Treasurer Gordon Under will all serve a second term. Rita Frost was elected secretary and Bertha Kennedy and Bill Oakes are new members at large.

Mr. Parker reported a good year, with tangible progress in new memberships (almost doubled) and in funding. The Society appreciated a generous grant of \$5,000 from the town, which is making possible the researching and restoration of historic buildings; \$2,800 from the National Museum for the cataloguing of artifacts, being done by Mrs. Borgstede in space donated in the Roman Catholic Church Hall; a \$950 RCMP Centennial grant, being used to prepare audio-visual material for the schools, and \$500 from the Department of Culture, Youth and Recreation to assist in the operation of the Museum.

The Society has an excellent new logo done by John Brioux. OMI noted Mr. Parker. The design incorporates feathers, representing the first people here, crosses - symbolizing the

missionary founding of St. Albert and spokes of progress, symbolizing the coming of the settlers.

The newsletter St. Albert Echoes is also emphasizing the efforts of the Society to encourage the study of our history said Mr. Parker, and we are grateful to the Oblates for copies of Father Tardif's History of St. Albert, on sale at the museum and which are available on loan to schools.

We also changed our meetings last year from having guest speakers out, to getting more people actively involved in the work of the Society - preserving our heritage. In particular we have been trying to identify and preserve our old buildings, he said.

"It was brought to our attention that the old McKenney store might be at 3 Mill Drive - I flapped wildly before council - only to discover that the building on Mill was not the old store. Then we were told that the old NWMP barracks of 1808 was sitting in forlorn solitude in Lions Park. The Oblates wanted to know what we are doing about the old Grandin House and we began thinking about that. It now appears, said Mr. Parker that the little log church will be moved adjacent to Grandin House - that no museum will be built over it - and so we had to scrap the plans we had made for a museum building. However the So-

ciety agreed, he said, that the old Grandin House should be restored and should include a museum in it.

So the Society prepared a position paper on Heritage St. Albert stating what we think should be done, what the Society is prepared to do, and what we think others might consider. That is the town, the province, the arch diocese, the Oblates and the parish council.

Going on to speak of the operation of the Museum, Mr. Parker paid tribute to the multitude of tasks performed by Father Andy Boyer, who has moved, leaving the museum without a curator. Last summer two local university students served as guides and janitors at the museum, which attracted 9,600 visitors - a clear indication, said Mr. Parker on the interest in our museum. He noted that since the summer months Brother Guibert faithfully opens and closes the doors at the museum. We also benefit from our relation with the Provincial Museum, he said and they were our guests for a visit and luncheon last year.

If the Society has had a successful year, concluded Mr. Parker, it is perhaps because there is a greater awareness of our history. If St. Albert is to continue to maintain its identity in the future, it must preserve its past.

Society seeks information on historic buildings

St. Albert and district readers who would like to get involved in that part of the community's history which deals with old building might like to review the following list of locations on the St. Albert Historical Society's Historic Building Inventory, to see if they have any information about these structures. Assistance from the general public would be

greatly appreciated by the Society and calls should be directed to President Jim Parker at 459-8624.

GAZETTE DEADLINES

The "Gazette" is always trying to give the best service possible to its readers and other contributors throughout the St. Albert and Sturgeon District.

And this the "Gazette" will always try to do. So that the staff of the "Gazette" can keep up this efficient service would you like to help us in the following ways? (Perhaps you could cut this out of the page and put it in your wallet or purse as a reminder!)

First, if you wish to place an advertisement with us of over half a page, please have it to us, neatly written, by no later than 4:00 p.m. Mondays. This gives the layout artists time to make it up to the best of your expectations. Notice that we have a deadline for classified ads at 12 noon each Tuesday; after this the ad will be put aside for the next issue.

The "Gazette" likes to have a good flow of news from its correspondents and any person who has anything of community interest to offer the paper.

Please note the deadline for news copy. Bring it no later than 5:00 p.m. Tuesdays to be sure of getting it in that week's issue; otherwise you will likely have to wait till the next week to see your item in the paper.

Thanking you for your help.

Barons win both matches in opening round with Westlock

St. Albert's Sportshock Barons outscored Westlock midges 14-9 in the opening round of the west-central Midget "B" playoffs last week, to advance one step further down the playoff road.

The Barons opened with an 8-4 win at the Arena Thursday, and backed it up with a 6-5 victory in Westlock Sunday, to win both games in the two-game total-goal series.

STRAND BREAKS WRIST

The Westlock win was especially costly for the Barons however, as centre Ken Strand broke a bone in his arm midway through the final period, and will be lost for the club for upwards of three weeks.

St. Albert now meets Barrhead in the second two-game total-goal series. Barrhead defeated Whitecourt in its two games 8-5, to advance to the second round.

Two goals in the opening 60 seconds of Thursday's encounter, and two more in the final 20 seconds, provided St. Albert with a safe four-goal margin that Westlock wasn't able to match.

But Sunday's match in Westlock "teetered" back and forth, with St. Albert holding a 3-1 second period lead at one point, and then having to come back with three third period goals to win.

Captain Terry Leddy opened St. Albert's scoring in their 8-4 victory, with a low drive along the ice that caught Westlock netminder Michael Morozowich flat-footed with just 28 seconds gone in the opening frame. Just 38 seconds later Lloyd

Olson fired a low-shot that caught Morozowich unprepared and the Barons had a 2-0 lead.

Four minutes later Westlock's Ron Kelly beat goaltender Dennis LaFleur on a breakaway, but five minutes later Ken Strand picked the inside post after taking a centering pass from right-winger Real Huot, and the Barons broke a 3-1 lead.

Blake Millroy made it 4-1 for the Barons early in the second when he converted a pass from Paul McCann, and Gilbert Longpre's drive from the point eluded Morozowich and the Barons had what looked like a convincing 5-1 lead.

However Kevin Rolston and Kelly narrowed the count to 5-3 by the second minute mark of the third period.

Graham Brown teamed up with linemates Rod Olson and Lloyd Olson to make it 6-3 midway through the final period, but Westlock came right back and Marcell Lefebvre beat LaFleur on another breakaway.

With just 30 seconds remaining in the period, the Barons won a facelift deep in Westlock's zone, and with four defencemen playing with centre Lloyd Olson, Eric Evaniw managed to slide a loose rebound past Morozowich to boost the count to 7-4.

Olson won the following facelift and skated into Westlock's end, passing into the crease and again Evaniw was Johnny-on-the-spot, converting the pass for another St. Albert goal.

SUNDAY ACTION

In Sunday's 6-5 win.

MINI MITE SOCCER TRIAL PRACTICE

STARTING

WEDNESDAY, FEBRUARY 26 -- FROM 6:30 to 8 P.M.

FOR ALL BOYS BORN 1967/68

To be held in the gym of Sir George Simpson School

FOR INFORMATION -- PHONE: 459-8333

Westlock opened scoring midway through the first period when Kelly got his third of the series (he eventually scored five), but Blake Millroy and Terry Leddy put St. Albert in front 2-1.

Leftwinger Dave Shipanoff upped the score to 3-1 on a breakaway with five minutes gone in the second, when he took a long lead pass from Ken Strand, but Forest Lewko and Kelly's two lifted Westlock into a 4-3 lead.

Rod Olson got his first of the series with just two minutes gone in the third, but Westlock, having to score four goals just to tie, got out in front 5-4 two minutes later when Michael St. Louis beat netminder Wayne White from 25 feet out with a blistering slapshot.

Bon Sander and Millroy took several swats at a loose puck in Westlock's crease midway through the period, before Sander picked the wide-open top corner to tie the score once again, and then Dave Kieser grabbed a rebound off the backscreen with four minutes remaining, and tucked the rubber in the open side to give the Barons the win.

Both goaltenders, Dennis LaFleur in the opening game and Wayne White in Westlock, played excellent hockey and both came up with key saves early in both games to keep the Barons in contention.

Barons and Westlock each had 36 shots in the opening match, while St. Albert shut Westlock 41-29 in the second.

St. Albert was called for 21 penalties over the two games -- all minors except for a 10 minute misconduct to Real Huot -- while Westlock took 20, including a game misconduct to Stuart Thomson.

BARRHEAD NEXT

St. Albert has to be favoured in the second round series against Barrhead, having won two games by scores of 11-2 and 11-3 at Christmas, after losing 5-4 in a early game last fall.

Comets win opening round in Provincial playoffs

St. Albert Comets hockey club won the first round of the playoffs in provincial play with two straight wins over Leduc Oilers in the two game total goal series. Comets came from behind in both contests to win, 7-3 in St. Albert Friday night and then 6-5 in Leduc on Sunday for a combined 13-8 mark in the two games.

St. Albert will now play Winterburn Tomahawks in the second round with the opening game tonight in Winterburn starting at 8 p.m., and the second in St. Albert this Sunday at 7:30.

Winterburn defeated Barrhead Sabres to advance against the Comets. All teams are members of the Edmonton Central Hockey League which is probably the top senior league in northern Alberta.

Last Friday night the Comets didn't skate in the first 20 minutes and found themselves down 2-0 before Wally Monson scored with less than a minute to play. Len Zalapski and Doug Currie scored for Leduc while Monson's goal was set up by Brian Stevens and Paul St. Cyr.

Comets came out flying in the second period and scored four unanswered goals, three coming in a space of less than three minutes. Ruuged winger Bill Schur tied the game at 11:16 on a goal-mouth scramble with Jim Stewart and Bob Beaulieu getting the assists. At the 13:00 minute mark Harvey Kinkand backhanded a shot past Oiler goalie Bob Lamm who had made a tremendous save on Richie Perrault's drive from the point, Perry Pearn also picked up an assist on the goal. Fifty-nine seconds later Danny Towpich scored on a goal-mouth scramble to give the Comets a 4-2 lead with Monson drawing an assist. Paul Fatijewski was set up by Don Darling and Bill Schur with only 10 seconds to play in the second period to give St. Albert a comfortable 5-2 lead going into the final period.

Comet coach Dale Ripple scored on a screen shot at 3:30 of the period and speedy Brian Stevens scored on a breakaway at 14:03. John Toner gave Steven's a beautiful pass to set up the play. Oilers scored the final goal of the game with less than five minutes to play with Doug Cameron beating Comet goalie Zane Jakubec from close in.

Jakubec was very sharp in goal, making a number of excellent saves to keep the team in the game, especially in the first period when the Comets were finding their legs.

A total of 25 penalties were called by veteran referee Eric

Patterson with St. Albert taking 13 of them.

Leduc Oiler captain Dave Glasgow, after receiving a minor infraction for cross checking didn't like the fans approval of the call and started swinging his stick at the fans, many of whom were young kids. Fortunately, for Glasgow and the fans the stick didn't connect. Referee Patterson watched the whole incident from close range, and his only remarks were, "settle down." Many players and fans felt he should have been thrown out of the game and hockey. What a way for a captain to act. Police were called and no further problems were encountered.

The 7-3 win gave Comets a four goal lead going back to Leduc Sunday for the second game. Schur didn't wait long to start the scoring with a goal at 2:44 of the opening period with Beaulieu assisting to give Comets a 1-0 lead and 8-3 overall.

Oilers refused to give up and scored two goals before the period ended. Jim Phelan and Bob Foeite beat Jakubec to take a 2-1 lead and reduce the overall score to 8-5.

Leduc came out strong in the second period and added two more goals in the first five minutes of play to take a 4-1 lead in the game and to within one of tying the series.

At the 15:37 mark of the period Comets got a little breathing room with Dwayne Klassen tipping in a pass

BRIAN STEVENS

from Paul Fatijewski and Rich Perrault. Two minutes later Comets scored again with Brian Stevens getting the goal from Monson and Schur to make the game score 4-3 and 10-7 overall.

Phelan scored his second goal of the game early in the third period for Leduc who appeared to be getting stronger. Some excellent goallending by Jakubec kept the Comets in the game, and at 14:48 of the period Monson took a little pressure off with a goal to tie the game at 5-5 and give St. Albert their four goal lead once again. Randy Clark kept a couple of teeth and a split lip in Friday's game scored at 19:28 of the period to give St. Albert a 6-5 win and a 13-8 series victory.

Referee Harvey Dodds was in control of the game at all times and was only called upon to hand out four minors to St. Albert and three to the Oilers.

The Comets have been playing very fine hockey since Christmas and should have no trouble with Winterburn Tomahawks in the second round of the series. The winner will then advance to the third round to play either Stony Plain or Westlock for the right to travel to Peace River for the northern finals.

League playoff dates have not been set as yet but Comets will play Sherwood Park Barons in the semi finals while Westlock and Fort Saskatchewan are in the other.

Provincial Intermediate Playoffs Two Game Total Goal Series

Bruins team fly into playoffs

Friday night, Feb. 21 the St. Albert Junior Bruins started and flew into high gear in order to maintain and protect the fourth and final playoff spot which they held.

The last two games of the schedule, which were on the road, proved to be very crucial as the Bruins held a one point edge on Leduc Riggers. All three teams had two league games to complete, which made the race one of the closest and exciting in the three years the Bruins have been in the

Capital Junior Hockey League.

The game in Leduc was a wild and free one as Coach Ken Schwartz pulled tender Carey Winkquist with five minutes to go in favour of the extra attacker Jim McComb. Who to the total amazement of the Leduc fans punched the game tie making the score 3-3. Garry Mann, just minutes later popped his second and game winning goal to give St. Albert their much needed two points.

Come Saturday night the Bruins once again found themselves on the tight-rope as Waterloo threw a game against Stony Plain; thus forcing the Bruins to go up against first place Sherwood Park Knights. Who had just beaten the Bruins in CFRN TV, 11-1 in their most recent meeting.

The last game of the season for both teams proved to be an unbelievable contest as the hometown Bruins unleashed all they had and

knocked out the "best" team in the Junior League 5-3.

Although league high scorer Gord Stewart only played the first period; because of an earlier game against Fort Saskatchewan who went full out to cripple the Knights, he still scored one goal and assisted on another.

The Bruins still beat the "team" on goals by Jim Worobec, Stu Ballantine, Jim McComb, Alex Jensen and Captain Craig Neeser as

they powered on for a fantastic victory.

Both games "Wink" Winkquist performed superbly enroute to the wins and the much needed four points.

Bruins now in the playoffs, will play a best-of-five

semi-final series with Waterloo Mercurys; starting Tuesday, February 25 at 8 p.m., in Jasper Place Arena, then return home Friday, February 28 at 7:30 p.m. to play host to Waterloo in the second game.

Villeneuve wins two in series with Namao

Villeneuve swamped Namao 10-0 in the first game of their best of five semi-finals, played Tuesday the 18th in Legal Arena. Cy Klassen turned in a great performance with four goals and three assists. Phil Soetaert scored two and three, Vic Soetaert two and one and Ron Perrot and Ray Soetaert each picked up a single. Bill Tieland was very steady in the net and Namao just couldn't get anything going in the game. Seventeen penalties were called - eight against Namao and nine for Villeneuve.

The second match played Friday in Legal saw Namao come to life producing very different results. Villeneuve won again but by a 3-2 margin in a goalkeepers duel between Tieland and Wayne Potter. Both teams had lots

of shots on goal.

Play was very rough in the game and was penalty-ridden, with Namao taking 14 and Villeneuve 13, including several misconducts on both sides. The cheering fans enjoyed the rough and tumble but the refereeing was somewhat at fault.

Scores were Ron Perrot, Cy Klassen and Don Cook for Villeneuve, Bob Crozier and B. Akerman for Namao.

The third game moved to Gibbons Arena last night and the fourth is slated for Gibbons Friday night. If a fifth game is necessary it will be played in Legal on Sunday, March 9.

Winner of the series will meet either Calahoo or Morinville and the record shows that Villeneuve now holding the advantage, has an easier time with Calahoo.

Sander leads Chief's scoring

Larry Sander is leading St. Albert Fire Chiefs in goals, assists and total points.

Sander has 47 goals, 32 assists and 79 points. Chiefs have played 33 games over the season, including league, league playoffs, provincial playoffs and exhibitions.

Kenny Young is in second spot with 30 goals and 22 assists for 52 points.

Rick Kreway has been moving up steadily in the Chiefs' scoring statistics as he has potted 11 goals and counted eight assists since joining the team to stay eight games ago. Kreway, up from the A house league, played to games with Chiefs at Christmas but didn't pick up a point.

The hustling right winger has given Chiefs' another high-scoring unit as Reid

Jackson, left-winger on the line with John Provencal and Kreway, has suddenly found the range, scoring eight goals and four assists in his last eight games.

ST. ALBERT RECREATION REPORT

PARKS AND RECREATION BOARD

Members of the public are invited to attend the next regular meeting of the parks and recreation board which will be held in the Town Hall Annex on Wednesday, March 6 at 7:30 p.m.

Written presentations from individuals or organizations for consideration by the board at this meeting were required to be received by the Secretary, Mr. Bernie March, Town Hall, no later than Wednesday, Feb. 26.

GOLF

Arrangements have been made to hold the annual learn-to-golf school in Sir George Simpson School. Starting on March 18, lessons will be held on Tuesday evenings and Saturday mornings till April 8. An advertisement will appear in next week's Gazette giving further information about times and procedure for registering.

HERCULES SPORTS ASSOCIATION

The fee for registering in the Hercules Sports Assoc. is \$6 for a single membership and \$9 for a family. The

family membership entitles members of one family to participate in any of the programs sponsored by the association which at present include soccer and girls' softball. Information about registration for these two programs follows.

SOCCER

The next - and last - opportunity for registering for the soccer program, sponsored by the Hercules Sports Association, will be on Monday, March 3. Registrations will be taken from 7 - 9 p.m. at three locations: Paul Kane High School, Cunningham Road; Albert Lacombe School, Gainsborough Ave., and the Percy Page Centre, Mission Avenue.

Boys born between 1959 and 1969 (inclusive) can register. Only the names of girls born between 1959 and 1965 (inclusive) will be taken. If enough interest is shown in the different age groups, teams will be formed and fees collected later.

No registrations will be accepted after March 3. The situation of a parent or guardian is required on each form and forms will be available at the time of registration or can be picked up at the Department of

Recreation prior to registration. Parents are asked to give some thought to volunteering to coach or manage a team. It would be unfortunate if any of the children registering couldn't play because of a lack of coaches or managers. So do give it your consideration.

SOFTBALL

Registration for the softball program for girls aged 8 - 16 years will be held in Robert Rundle School on March 15 and 22 from 10 a.m. - 12 noon on both days. Forms will be available at the school on the days of registration and require the signature of a parent or guardian. And, as with soccer, coaches and managers will be required for a program which has been growing in popularity each year.

FOLK DANCING

The Edmonton International Folk Dancers will be presenting a Balkan Folk Dance Workshop in the gymnasium, West Wing, Education Building, University of Alberta on Saturday, March 8 from 1:30 - 4:30 p.m. and on Sunday, March 9 from 1:30 - 4:30 p.m. and on Sunday, March 9 from 10 a.m. - 1 p.m. The classes will be conducted by Dick Crum, one of North America's foremost authorities on Balkan dance; this is his first visit to Western Canada.

The cost is \$5 and registration forms are available at the Department of Recreation in the Town Hall. Pre-registration is also possible at the regular weekly dances of the group to which anyone interested is welcome. These are held on Friday evenings from 8:30 - 10:30 p.m., in Room 11, Physical Education Building, University of Alberta.

A folk dance party will be held on Saturday, March 8 from 8:30 p.m. - 12 midnight in the Newman Centre, St. Joseph's College, University of Alberta campus. The cost is \$2.50 per person.

CHESS

The St. Albert Chess Club meets each Wednesday eve-

ning at 8 p.m. in Mission Clubhouse, Mission Avenue. Phone Mr. Stuart Embleton at 459-8937 or Lawrence Jones at 459-8931 for information about the club.

HOCKEY

At the time of writing, the use of the outdoor ice is being restricted from time to time because of the unseasonably warm weather. However, the normal hockey schedule is being followed as far as possible.

Coaches are reminded that reservations for ice on the rinks can now be made for the following week on Thursdays between 1 and 4 p.m. They will, of course, be taken after that time but early application for ice is always best.

ARENA ACTIVITIES

Public skating hours at the arena are as follows: Wednesdays, 7 - 8:30 p.m.; Saturdays, 8:30 - 10 p.m. and Sundays from 2 - 4 p.m. Admission fees are 75¢ for adults; 50¢ for students and 25¢ for children. A special session for parents and pre-schoolers is held on Wednesdays from 10:30 - 11:30 p.m. when admission is 25¢ per person.

Because of playoffs in different leagues, games are always uncertain at this time of the year. The only one which can be announced with certainty this week which should be of interest to fans is on Friday, February 28 at 7:30 p.m. when the St. Albert Junior Bruins will be playing Waterloo in the semi-finals of the junior playoffs.

TOASTMISTRESS CLUB

The Sturgeon Toastmistress Club meets on the second and fourth Wednesdays of each month in Paul Kane High School and new members will always be welcome. Anyone interested in joining should phone Mrs.

Eleanor Smolley at 459-4710. Members are at present preparing for the annual speech contest which will be held on Wednesday, March 12th.

CROSS COUNTRY SKIING

Last Sunday, Feb. 23, members of the club skied in the Grandin area, an outing which was hosted by the members in that section of town.

On Sunday, March 2, an outing is planned to take place at Devon and members are asked to meet at the Percy Page Recreation Centre on Mission Avenue. (A packed lunch seems advisable).

The results of the races held on Sunday, Feb. 23 as part of the winter carnival festivities were as follows: elementary girls - first, Jennifer Visman; second, Maureen Fehr; third, Gwen Grant and fourth, Jennifer Dawson; elementary boys - a three-way tie for first place, Mark Puffer, Kent Sorensen and Robert Black; second, Bernard Chelkowski; third, Pierre Chelkowski and fourth, Brian Titus; junior high girls - first, Shauna Hite; second, Wendy Stanley; third, Joanne Chelkowski and fourth, Shauna Thronsdon; junior high boys - first, Paul Diek; second, Kevin Puffer; third, Bruce Grant and fourth, Cliff Black; high school girls - first, Candace Puffer; high school boys - first, Ian Grant; high school boys' snowshoe race - first, David Robinson; adult ladies - first, Kirsty Marshall; second, Pat Visman; third, Louise Chelkowski and fourth, Maureen Dawson; adult men - first, Dag Wiull; second, Gus Visman; third, Leo Chelkowski and fourth, Kevin Cronin; senior ladies - first, Ev Grant; second, Ethel Cuts; third, Louise Stanley and fourth, Margaret-Anne Puffer; senior men - first, Howard Grant, second, Hu Puffer; third, Bob Dawson and fourth, Huck Allen.

WHEELCHAIR SPORTS

A seminar for athletes, coaches and officials of wheelchair sports will be held at the University of Alberta on March 22 and 23. The purpose is to offer an opportunity to exchange ideas and program needs for wheelchair athletes.

Information about this clinic, registration forms and the agenda are available at the office of the Department of Recreation in the Town Hall.

BLOCK PARENTS

Phone Mrs. K. Romerill at 459-6208 for information about this very important program which is endorsed by the RCMP. The response from parents in some areas of town has been very poor and yet it is a program of protection for children. Find out about it and how you can help by phoning Mrs. Romerill.

SNOWMOBILE RACES

Information about the snowmobile races being held at Ledue on Sunday, March 9 was published last week. Contact Denis Carrier or Don Hill at 986-6323 or 986-2558 for further information.

GYMNASTICS JUDGING CLINIC

Registration forms and a full description of this clinic which is being held at the University of Alberta on March 14, 15 and 16 are available at the office of the Department of Parks and Recreation.

MUSIC THERAPY

A Provincial seminar on Music Therapy will be held in Glenrose Hospital on March 21, 22 and 23. Information about the seminar and registration forms are available at the office of the Department of Recreation.

Combines continue winning ways

After completing the second weekend of playoff action the St. Albert BB Combines are looking good. Saturday Sherwood Park were in town for the first game in a two out of three final for the league championship and judging by comments heard after the game, it was one of the most entertaining contests of the year. Some people felt it was the best peewee hockey they had ever seen.

Combines took a one-nothing lead in the first period - were trailing 3-2 at the end of the second and finished regular time tied 4-4.

In overtime - for the second critical game, Kevin

Jackson scored the winning goal. But another big hero of the game was Keith Heyburn with a hat trick and Tim Schrader got a single.

Sunday the team travelled to Red Deer for the first round of the Provincial Playoffs and really turned it around as they completely outplayed and decimated the locals 15-1. Pointgetter were Troy Murray with seven goals and one assist; Keith Heyburn with a hat trick and four assists, Kevin Jackson with two and Dennis O'Neill, Tim Schrader and Ricky Gray picking up singles.

The next action, Saturday at the arena, will possibly see the announcement of the winners of minor hockey week events in Edmonton.

Morinville Seniors one up in series with Calahoo

Tuesday, February 18, semi-finals for the Sturgeon Valley Hockey League began with Morinville Seniors vs. Calahoo Scorpions.

Calahoo made the one and only goal of the first period and early in the second scored again putting Morinville down two. Finally after numerous attempts to even the game, Morinville put their first goal in at 13:14 and with just seven seconds remaining in the second period put another one by Wally Weneck, tying the game 2-2. Early in the third period the Seniors scored again and the game ended 3-2.

With one game under their belt Morinville met the Scorpions again Friday in the Morinville Arena and played a tremendous hockey game to a crowd of over 300 fans.

With such mild weather the artificial ice was appreciated by both players and fans and made for a very fast hockey game.

Our team scored four times in the first period while Calahoo scored only once. The second period Morinville Seniors came out still playing fast hockey and scored two more goals one by 'our' Eddie Shack. Calahoo made one goal. The third period was exciting but scoreless and the game ended 6-2 for Morinville.

Sunday, Morinville travelled to Onoway for Calahoo's home game, with hopes to take the series in three games. Onoway's natural ice was good for the weather conditions but very sticky and slow compared to Morinville's ice. The game was high scoring and ended in

Calahoo's favour 8-7. The first period the Scorpions scored three times and Morinville twice. Again in the second period Calahoo picked up three more goals and the Seniors two. Coming into the third period and down two goals, Morinville had some hard skating to do and although they scored three more times, Calahoo also put two in and the Seniors lost 8-7. It was anyone's game to the end with Morinville and the Scorpions battling in the last minute of play.

Calahoo has one more home game in Onoway Wednesday night at 7 and if a fifth game is needed it will be in the Morinville Arena Friday at 8:30 p.m. Come out and watch some hockey - your support is really appreciated.

In the last six years the St. Albert Fish and Game Association has released more than 1,200 pheasants in the area.

When the program of rearing and releasing pheasants began, the idea was to get 4H club members involved. However due to the difficulties in raising the birds this was found to be a project for the young 4H's. The pheasant raisers that the Fish and Game club have used over the years are all land owners.

The pheasant raisers provide their time and in some cases the food required to rear the birds in addition to the land required to house the birds. The club provides the government license required, the birds, materials and manpower for the rearing pens, most of the food, and the moral support. The birds are reared under strict government regulations and inspection. For example each adult bird requires 40 square feet of pen space. The pens must be built of one inch mesh for the first two feet of the side then of two inch mesh to the top and covering the top of the pen. If you are familiar with the price of poultry mesh you can appreciate the expense that goes into the rearing facilities.

The birds are obtained as day old chicks from the Alberta Wildlife Research

facility at Brooks and transported to the central rearing station. This is at Albert Lesburg's farm just a few miles out of St. Albert. Here the chicks are held in carefully controlled conditions for three weeks. During this initial period, and for several weeks to follow, the young birds are fed a specially blended high protein diet. The formula for the special feed was provided by the research station.

Once the young pheasants are three weeks old they are distributed to the different rearing stations. These are on the farms of Bill Boeck and Doug Hills, in addition to the one at the Albert Lesburg farm. Prior to last year Hector Quintal raised pheasants from the inspection of ants from the inception of the program.

Until this stage the birds were not allowed outside, even on warm days. But after three weeks, when the weather co-operates, the chicks are let out for a while each day. The outside space available to them is restricted at first so that none of the birds become lost or disoriented. All during the rearing period the birds are very spooky. The slightest movement sometimes sends the birds into flight. Hector Quintal is convinced that you cannot actually tame the Chinese ring-necked pheasant.

Once the birds are six weeks old they are free to move indoors or outdoors at will. All the feeding at this point is done in the pen. The entire pen is opened up for the birds about this time as well. Now it's just a matter of the birds growing up to the size required for release. Normally the release age of the birds is 11 weeks or older.

Each bird gets a blood test prior to being released but in most cases is not banded. The birds are released a few at a time right from the pen they were reared in. They initially occupy the best habitat closest to the release point. The pressure of numbers causes them to disperse over quite a wide area. Certainly the lack of suitable habitat is a major factor of the birds being thinly populated.

If at all possible up to 30 birds are carried over the winter at each of the rearing sites. These birds are released just prior to the normal pheasant breeding season in prime breeding condition.

The Fish and Game club project director Phil Fiecht hopes that by continuing the rearing and releasing program other land owners will be encouraged to retain pheasant habitat in the St. Albert district. Without suitable habitat little or no wildlife will stay around for anyone to appreciate.

Tworek's goal sparks Chiefs to lead in quarter final

Peter Tworek picked his way through the defence and fired a low shot into the corner of the net to give St. Albert Fire Chiefs a 7-6 victory over Drayton Valley Oilers in Drayton Valley Sunday afternoon.

The victory gave Chiefs a

1-0 lead in their best-of-three central Alberta Banham Hockey League quarter-final round. Second game in the series will be played in St. Albert Arena at 4:30 Sunday afternoon.

The game in Drayton was a see-saw affair with Drayton opening up a 2-0 lead in the

first period. Chiefs scored four straight goals to go in front 4-2 in the second, but Drayton turned right around to get the next three to end the period in front 5-4.

Chiefs tied it and took the lead early in the third, Murray Riddell and Andy Gent pulling the triggers, but Oilers tied it at the five-minute mark to set the stage for Tworek's winner.

Gent had two goals in Reid Jackson's 10:11 Parker got the others.

St. Albert had a solid margin in shots on goal, firing 51 compared to Drayton's 39.

There were only three penalties in the game, St. Albert's Murray Riddell going off on a questionable tripping call and Drayton players being penalized for holding and cross-checking.

It was Chiefs' fourth victory in five meetings with Drayton this season. Chiefs won 11-4, tied 4-4, then won 6-5 and 11-5 in previous encounters.

In provincial play, Chiefs are awaiting the winner between Barrhead and Enoch to lock horns in the zone semi-final.

Satellite airport to be operational by late 1976

By Jim McIntyre

The Edmonton satellite airport at Villeneuve should be fully operational by the fall of next year.

That was the word which came from a public meeting at the Villeneuve Community Hall February 20. The meeting was attended by about 70 members of the public, a strong delegation from the Ministry of Transport and representatives of the MD of Sturgeon.

Project manager for the new airport, Mel Feddersen, said that the target date having the two runways operating at the site will be the fall of this year.

He expressed hopes that the airport would not only be a boon to those who wished to train as pilots, but to the general public as well. He saw the airport as a place where the family could be taken out for picnics Sunday afternoons and said there would be proper facilities provided - with a spectator area and restaurant.

Once the runways are operational, public utilities, water and sewer as well as a control tower will be constructed at the site.

There seemed to be little public opposition to the new airport and this may well have been because of the MOT presentation which did not leave a stone unturned. The meeting was given all the information available, from expected noise levels at the airport, details on the

the expected upheavals social and environmental during and after construction. These will be minimal even during the time the airport is being built.

One question put to the MOT at the meeting pointed out that although the province of Alberta was a giant at 260 million acres - only a small proportion of this was farmable. Regional planning manager for airports Ray

Pober said that he shared the

by all the various types of development, we'd run out

land to develop by 2050 and added that "we'll roll up the runways if it ever gets to that point."

Reeve of the MD, Bill Flynn said that he'd rather see the land being used for an airport than a gravel pit which caused destruction of the soil. He also promised that the balance of the land would be used for agriculture and that "that area had not been established for country residences."

One person wondered if the airport would ever get off the ground, saying that there had been so many rumours, some saying yes and some no. Mr. Feddersen asked, "Is it common with the emphasis on the airport, printing out \$807,000

Answering a question on the upkeep of the roads, an MOT representative Bob

Dunlop said that the MD was responsible for the roads outside the airport, but that MOT would pave the roads inside the perimeter. Mr. Flynn added that the MD would approach the Federal Government if it was found necessary to use other roads and if the traffic pattern went counter to the original expectations.

He also said that a sanitation system would be developed for both the town and the airport. I been

the provincial

ment that outside a 30 nef area (noise exposure forecast) provisions will be made for an airport protection zone, where there will be no residential development and building structure height restrictions.

Circuits are also expected to be adjusted away from present residential areas and landmarks will be pointed out to pilots which they should avoid or use.

The fear was expressed that there would be some disruption to TV receptions.

Another member of the MOT delegation Dave Berwick admitted that there would be some interference with antenna but that planners would try and see that is and approaches were taken away from houses.

A resident living six miles west of the proposed airport said that the noise pollution would be "intolerable for us," particularly since they lived in the country and not by the highway. The resident said he felt unduly penalized as he would be in the sports aviation training area where he would even see the wing numbers of the aircraft. MOT delegate Joe Hoover replied that there was always a continuous trade off - when you move

with not be possible strict low approaches and been there in this zone, but flying over a house 100 feet, then it's a perfectly justifiable

wing numbers.

A crash zone at the airport will be located at the end of the runways but it was pointed out that wherever a plane crashes - that is a crash zone.

When the airport is operational there will be restricted access to the southend of the property; it was explained to those attending the meeting that a turn about will be built by MOT at this access point and that farmers who farm the southend of the property will be able to get to a gate which will be built on their land.

During the MOT presentation the role of the airport was designated to accommodate flying training and recreational flying for aircraft less than 12,500 lbs. gross and to provide additional capacity to the existing Edmonton aviation system.

MOT said that the airport would eliminate the mix of light - slow to heavy fast aircraft which currently use the Edmonton Industrial and International airports.

There will also be no fear of jets using the airport; the

runways will never be long enough (compare the length of the Edmonton International Airport's main runway at 11,000 feet with the anticipated maximum of the satellite's 3,500). Also the Edmonton International is capable of taking the Boeing 747 at loaded weight of 710,000 lbs. while the runways at Villeneuve will only take the heaviest piece of maintenance equipment, a snowplow at 35,500 lbs.

Intensive studies have also been done on lead emissions from aircraft and it was found that lead emissions on highways are seven times higher than what will be the case at Villeneuve.

Small rodents and birds will be affected when the earthmoving equipment is moved into the site, but they are expected to move back once the airport is constructed. There will be some dust flying when the early stages of airport development are underway.

Exhaust emissions will be negligible with a figure 70 times less than highway

It is consid

opportunities for local people when the site is developed and the tax base of the MD is sure to increase. There is not expected to be a change in the aesthetics of the landscape and only a few trees will have to be removed during clearing of the site.

Thirty hangar lots are allocated for the airport in total and some of these have already been bought. There will be 160 commercial aviation support lots and 7.8 acres will be set aside to support MOT facilities which will include

- a combined tower operations building,
- a maintenance building,
- parking for employees and visitors.

The entrance road will be provided from the southern boundary of the airport with the proposed future road entering from the east boundary.

A parallel 1,000 foot runway is slated for the airport by 1985 and there could be as many as 50,000 movements there in the first year which may well put the airport ahead of its

at Spring

Not all R.R.S.P.'s are alike.

Consider the Toronto Dominion Retirement Savings Deposit.

The TD RSD is a bank deposit. That's the big difference. Its attractive interest rate is adjusted twice yearly to match that of the TD five-year Certificate of Deposit. And you never have to worry about fluctuations in the market value of stocks and bonds as you would with some other R.R.S.P.'s. Finally, there's no interest penalty for deregistering your TD RSD at any time.

As with all R.R.S.P.'s, eligible annual contributions are deductible from your current taxable income - up to \$4,000 in some cases. Depending on your circumstances, the 1974 income tax you defer can be substantial.

For example, if you're an Ontario resident earning \$15,000 per year, have a spouse without an earned income, two children under 16, and no company pension plan, you're allowed to contribute \$3,000 to a TD RSD. A \$3,000 reduction in your taxable income will result in a current year tax deferral of \$1,024!

That same person contributing 5% of their earned income to a company pension plan can contribute up to \$1,750 and make a 1974 tax savings of \$600.

Your TD Manager is the person to ask about a TD Retirement Savings Deposit. You'll get all the facts, and you'll be pleased to know that you can start for as little as \$250 with contributions of \$100 or more whenever you wish. But hurry, March 1st, 1975 is the deadline for the 1974 tax year.

TDRSD ITS TIME IS NOW.

TORONTO DOMINION
the bank where people make the difference

Congratulations

AND ALL GOOD WISHES!
ON THE BIRTH OF THE BABY!

The Welcome Wagon hostess will bring a basket of gifts for new babies and parents. Please telephone Doreen Gare at 459-5443, and let her know when there is a new baby in your house.

The hostess will call on all babies six weeks and under if she is informed of their arriving.

Gibbons Sno Ball will feature snow sculptures

By Shirley Steinwand

Sno Ball '75 will begin this year on Thursday evening, March 20 and will go on until Sunday, March 23. A very full program is planned for the weekend, so be sure and plan to attend.

As last year, a snow sculpturing contest will be held. Following is a guide to the art of sculpturing.

Snow sculpturing can be fun, but can also be a great deal of work. This, of course, depends on the size of your sculpture, and if you do it

alone or as a group.

The hardest part of making a snow sculpture is getting out and doing it, and competing against your neighbour. Some of the nicest sculptures have been created by inexperienced people who were very determined to succeed. A person requires no special talents, although it helps if you are artistically inclined.

USEFUL TIPS ON BUILDING SNOW SCULPTURES

Materials required:

1. Lots of snow, preferably in a big pile.
2. Hot or cold water.
3. Ice paint or a die mixed with water.

Tools for the job:

1. Butcher knives
2. Hatchets.
3. Hose and spray nozzle or watering can.
4. Buckets.
5. A container for forming shapes.
6. Paint brushes and any thing else you wish to add.

The sky is the limit on

what you may design, even flood lighting can be used.

THE STEPS TO TAKE:

1. Pile your snow in the location that can easily be seen, making sure you have lots of snow.
2. Soak snow with water, making sure it is not slushy, and will hold its shape.
3. Rough form your snow to the dimension required. Don't attempt your detail work until the rough form

has frozen solid.

4. Using your hatchet, rough shape.

5. Start building up your details using slush. Allow to freeze and light spray with hot or cold water.

6. Continue with more detail work and light spraying. Paint on hot water and colour with a brush to a finished glaze.

8. You may now paint your sculpture. Ice paint is available in many colours from most paint dealers or hardware stores. You may use a die of some sort. The paint is mixed with hot water and applied hot. Paint large areas first. If the paint runs, it can be easily scraped off.

Caution: do not use an oil based paint. Scribing is simply scratching the sculpture with a big nail. The indentation stops the paint flow if you have a run on it. Apply a very light cold spray over all painting to lock the paint in.

Caution: do not paint your sculpture until a few days before judging unless you are prepared to do some repair work. The paint colour will absorb the sun's heat.

Register your snow sculpture at the village office during office hours. Anyone can enter, village or rural.

Judges will come to your address on Saturday, March 22nd.

A pageant will be held for queen contestants on Thursday evening, March 20. Friday evening the queen will be crowned immediately following the ice carnival "Pot Pourri."

There will be a big parade on Saturday, March 22, at 11 a.m. Register at the village office.

The Sturgeon School Board has called a public meeting regarding the centralized high school proposed for Namao to be held Tuesday, March 4 in Gibbons School at 8 p.m. These meetings are being held at all schools in the division in response to a request from the Provincial Department. All interested parents and ratepayers from Gibbons, Gibbons rural area and Coronado area are invited to the meeting on March 4. An opinion poll will be taken at the meeting.

The Gibbons Village Council has renewed arrangements with the Gazette to again this year provide them with the newspaper, by courtesy of the Village.

Good crowd enjoys Shavers tournament

Mrs. Shirley Steinwand, presenting a trophy on behalf of Ron and Al's Service Ltd., to Gibbons Shavers Captain Daryl Hunt.

Gibbons "A" Shavers (8 and under), winners of Gibbons 1st annual hockey tournament, sponsored by Ron and Al's Service Ltd. Back row - left to right, Ron Shaw, Peter Jaansen, Shaun Callaghan, Dean Rurak, Preston Williams, Iain Walmsley. Front row - left to right, Tom Kampjes, Brad Walters, Daryl Hunt with trophy, Ron Christie and Dana Nault.

2. Winners of series "A" - Gibbons, and winners of series "B" - Morinville. The final game was won by Gibbons "A" team with a score of 4 - 2, making it the second trophy won this year. The first trophy was during Minor Hockey Week at Legal.

Mrs. Shirley Steinwand, on behalf of Ron and Al's Service Ltd., presented the trophy to team captain, Daryl

Hunt and congratulated them on a game well played.

Fortunately, there were no serious injuries, although a few players were hit with the puck.

Thanks very much to Mr. Bill Jaansen, for helping us out as referee for most of the games.

Thanks to all others that helped in anyway, and made this tournament a success.

NOTICE

FOR SALE BY TENDER

A curling building located in the Village of Gibbons next to the new arena. This building is 34 feet wide and 176 feet long, constructed of 8 inch arch ribs at two foot centres, plywood outside and inside and insulated. Building must be removed and sight cleaned up by June 30, 1975. Highest bid not necessarily accepted. Successful tender must provide a \$200.00 clearing-bond in addition to tender. Bond refundable when property is cleared to the approval of the Curling Committee.

Please sent tenders clearly marked 'Curling Tender' to:

Secretary, Gibbons Curling Club,
Robert McEwen

FEBRUARY 28 - MARCH 1 -- SUNDOWNERS

VILLAGE OF GIBBONS NOTICE OF PUBLIC HEARING

The council of the Village of Gibbons intends to enact a zoning bylaw pursuant to Section 119 of the Provincial Planning Act, R.S.A. 1970, as amended, for the purpose of controlling development within the Village of Gibbons.

The new zoning Bylaw No. 190 will repeal and replace the existing zoning control Bylaw No. 111 as amended.

The proposed bylaw may be examined during normal business hours in the office of the secretary-treasurer of the Public Library at Gibbons, Alberta.

The public hearing will be held in the Gibbons Community Centre Hall, Thursday, March 13, 1975 at 8 o'clock p.m., in order to hear any objections or comments to the proposed bylaw.

Objections shall be submitted in writing prior to the meeting. They will be received at her office until twelve o'clock noon on the day of the meeting 1975. Those which have been received before the designated time will be discussed at the meeting before oral presentations will be recognized.

Maisie Metrunec,
Secretary-Treasurer.

Village of Bon Accord report

By Sadie Allen
The Bon Accord Ladies Community Club met at the home of Olga Forbey on February 13. Plans for the dine and dance on March 1 were completed. The club are ordering 100 more cookbooks, price not yet determined. Anyone wishing a book should contact Pat Reynolds - 921-3558. The hostess prize was won by Rose Ruth. The next meeting is scheduled for March 12 at the home of Linda Fearnley and anyone interested is cordially invited to attend. Tickets for the dance may be obtained from Pauline Mansfield or Doreen Hewitt.

Bon Accord midgets wiped

out the boys from Gibbons in two straight and play Redwater for the league championship.

U.C.W.

A very good turnout of ladies met at the home of Ann Anderson on work on articles for the craft table at the UCW Easter Tea, scheduled for March 22 this year, a week earlier than usual to avoid conflicting with Easter holidays. The evening group will meet regularly on the third Tuesday of the month, the next meeting to be held on March 18 at the home of Maureen New, 5309 - 47 Avenue (Roseglenn subdivi-

sion) and will work with the same executive as the afternoon group. Their primary aim is to assist with work projects of the afternoon group and to provide an opportunity to all those interested to get together. Meetings are scheduled for the evening so that anyone working during the day may attend.

The elusive jackpot was finally won with Jack Burnham the lucky bingo player. Jack, in turn, shared the wealth by donating \$50 of his winnings to the Bon Accord Lions and the Community Support Board. Thank you Jack.

Starting with a new \$500

jackpot in 48 numbers on March 2, bingo players will get to play 21 games in an evening; - two single lines followed by a five-game series, followed by two single lines and another series. Game 15 will be the bonanza - 50% of the take to the winner, followed by another series and the jackpot. Games will pay \$5 for all except the blackouts, which will earn \$10. Admission price of \$1.50 entitles a player to two cards, with extras going at 25 cents each or five for a dollar. Starting time is 7:30 p.m.

The Bon Accord Lions Club are conducting a monthly raffle with tickets available from Lion President Dave Latta. Winner for February was Mr. Louis Elzinga.

Bon Accord mini-mites topped off top honours at a tournament held at Redwater on February 22. The team downed Morinville 9 - 0; Redwater 3 - 2 and in the final game Gibbons B by a 3 - 0 score. Michael Adams, in goal for Bon Accord, saved on a penalty shot. Congratulations to Mark Dougherty who celebrated his seventh birthday after their victory with all 22 members of the team enjoying chips, pop and a chocolate bar. All members of the club except three are seven or under with one four year old on the line-up. Every member participated in the team victory. Congratulations to coach Clarence Johnson and his team.

A feature of the tea sponsored by the Local Association for Brownies and Guides will be a baking contest (for members of the brownies and guides only). All items must be made from scratch - no mixes please. Mrs. Irene Deedman and Mrs. Jennie Malanichen will judge the cakes exhibited by girls in the 12 - 14 year class with a shampoo and set donated by Pauline Mansfield going to the winner. Judges for the 10 - 11 age group (squares) will be Mrs. Arksey and Mrs. Clinch with the prize a necklace donated by Celebrity Jewellery; judging the cookies or cupcakes submitted by the 7 - 9 age group will be Mrs. J. Briggs and Miss Jean Sloan - the prize a funny bunny pin pal. Donations for the white elephant sale may be left at the Millwood, Mansfield or Chapp homes. Added to the list of door prizes are: a lovely candle donated by Regal distributor June Serediak; a

gift of Aven - Gail Critchley; a set of glasses from Progress Glass - W. R. Shinbine; a frame and dome kit and artex starter kit - Doreen Moore and Linda Engman; hamper of potato products, Bon Accord Potato Farm; flashing lantern - Lewis and Sons Service Station.

In the double knockout playoff series for pee-wee hockey, the Bon Accord boys lost their first game to Villeneuve, and chalked up wins over Gibbons Northern Lights and Riviere Qui Barre.

Get well wishes are extended to Mrs. Evelyn Rogers in the General Hospital.

Items for the Agricultural Society Farm Auction must be listed with one of the following by March 8: Wes Carleton, Taras Forbey or Pat Reidie. Do yourself and the Ag. Society a good turn by disposing of unused items.

Bon Accord Council meets

Bon Accord village council met Monday, February 17 for their regular monthly meeting, adjourning to the 18th to conclude the business at hand.

Mr. Laurent Coulombe, recreation superintendent with the Sturgeon Regional Recreation was present on the 17th, at which time he outlined the various grants available and presented the board's budget for the current year. The latter has since received the approval of council. Questions were raised, however, about the board's requisition to Bon Accord and also about the village's share of certain grants as compared with those of other co-operating authorities, and Mr. Coulombe has been asked to bring these matters to the attention of the Regional Recreation Board.

WATER SUPPLY

In a recent letter to the MD of Sturgeon, the Hon. W. Turko explained that the villages of Gibbons and Bon Accord would be placed in a vulnerable position if they were to be connected to the Northeast Water Line and it was recommended instead that local water resources be developed. In view of this well tests have been carried out in the area recently with a view to determining water supplies for the future.

NEW DEVELOPMENT

The development agreement between Glacier Developments, Ltd. and the village has been signed, and is now in the hands of the Edmonton Regional Planning Commission. This agreement is for a 30 acre residential development on the former Hugh Allen land, west of the railway.

TAX PENALTY

Following a recent municipal inspection, it was recommended that council review its tax discount and penalty structure. Council has given consideration to this matter and a new bylaw has been requested for presentation at the March meeting. If passed, this bylaw will provide a five per cent penalty on current taxes remaining unpaid 60 days after the date of the notice, and for a further five per cent penalty to be added for any taxes remaining unpaid after December 31st (afterwards). The former practice of allowing five per cent discount, 60 days after the date of the tax notice will be discontinued.

Tenders are being called for garbage pickup and disposal services, with a view to the possibility of expanding the service and also to arrive at the cost of this service for budget purposes.

GROWTH WORKSHOP

Residents are reminded of the growth studies workshop to be held at the Gibbons Community Hall, Thursday, March 6, 1975.

Anyone may attend this workshop, put on by the Edmonton Regional Planning Commission. This is a good opportunity to make your views known on what you would like to see in the way of community growth and development of the surrounding area.

Reminder also about the annual meeting for the Village of Bon Accord - Monday, March 24, 1975.

THANK YOU

SHARP - We wish to extend our sincere thanks and appreciation to our relatives and friends for their kind expression of sympathy, mass offerings, floral tributes and cards and to those who came to pay their respects to our beloved son and brother.

Mom and Dad, Jean and Dave.

LEGAL LOCALS

By Lucienne Montpetit
Adult swimming lessons will begin on April 9, 1975 at 8:30 p.m. to 9:30 p.m. at Eastglen Pool. Anyone interested please phone Sturgeon Regional Recreation Offices at 939-4317.

Anyone interested in Archery instruction please contact Sturgeon Regional Recreation offices at 939-4317.

Let winter and the fun - Legal winter carnival will be held on March 9. The events planned: Snowmobile Gymkhana - Legal Poncho Riders - Shavers Game - Skateathon - K.C. Development and Peace Fund - Figure Skating Carnival - Legal Figure Skating Club - Legal Girls Hockey team - St. Albert Figure Skating Demonstration - Bean Supper - Club 60 Roses - Broomball game - Mom's and Dad's: Oldtimer's Game. Any assistance or suggestions would be greatly appreciated. Contact Ed Royan 961-3949 or Sharon Veitch 961-2399.

Les Femmes Chrétiennes will hold a meeting on March 3 at the Rec. Centre at 8 p.m. The special guests that evening will be the Diocesan Committee. This is a fine opportunity for you to come and get better acquainted with our diocesan committee. Make an effort to attend, your presence to will help make them feel welcome in our community.

Mrs. Lauranna Bergvin, Mrs. Marie T. Larose, the Caouette children Daniel

Claudette and Denise are patients in the Sturgeon General Hospital. We wish you all a quick recovery.

Mr. and Mrs. Roy Roulston and Mr. and Mrs. George Frank spent five enjoyable days in Las Vegas.

Mr. and Mrs. Paul Montpetit, Mr. and Mrs. Omer Maurier and Mr. and Mrs. Gerry Harlow spent rested after spending four weeks in Hawaii, while Roch and Jeannette Proulx returned Sunday after sunbathing five glorious weeks in the Hawaiian sun. Our travellers came back with a healthy looking bronze tan.

Mr. and Mrs. Roger Ouellette, Mr. and Mrs. Leo Maurier, Mr. and Mrs. Harvey Ouellette, Mr. and Mrs. Arthur Morin, Mr. and Mrs. Marcial Perault, Mr. and Mrs. Paul Rochon, Mr. and Mrs. Jim Monette and Mr. and Mrs. Real Bessette seemed to be a tired bunch when they returned from a five day holiday in Las Vegas. They met with friends from Seattle, Mr. and Mrs. Gerard Beaudoin and Mr. and Mrs. Aram Beaudoin. The happy gang enjoyed the night-life but found the temperature rather cold.

Oldtime dance will be held at the Club 60 Roses on February 28 at 9 p.m. Come and dance to the top tapping music of the Satellites. Admission is \$2.50 per person. Refreshments available and free lunch. The proceeds are for Develop-

ment and Peace.

The Legal girls hockey team defeated the Highlands Community League girls team 4-0 in Edmonton and team 4-0 in Edmonton on Sunday evening. Coach Mr. Frank Klassen and the girls wish to thank the ladies of the Highlands Community League for their fine hospitality. The ladies treated the teams to a delicious lunch after the game. A special thanks to Mr. Gerry St. Jean and Mr. Cecil Allan for

driving the girls to Edmonton.

The Edmonton Regional Planning Commission are inviting everyone to a workshop to be held at Morinville on March 3, at the Community Centre at 7:30 p.m. Come, voice your opinion in the planning of the district.

Congratulations to Mr. and Mrs. Clarence Joly upon the arrival of their first born, a bouncing baby boy. Marc Antoine was born on February 10 weighing 9 lbs. 6

ozs. The proud godparents are Mr. and Mrs. Antoine Mahe from St. Lina.

GUIDE NEWS

On Tuesday, February 18 the regular meeting of 1st Legal Company Girl Guides was noisier than usual. The girls had invited their friends and the 25 girls pulled chairs around the guest speaker, Captain Lucille Dube welcomed Mrs. Ricky Ellison, local hairdresser, everyone present had an enjoyable

session. Girl Guide Suzanne Maurier thanked our speaker and Girl Guide Michelle Kremer thanked the girls for a very lively question period.

February 23 the 1st Legal Company and 2nd Legal Pack participated in a Thinking Day Church Parade. Thirty-six girls were present in march behind the flags. Parents of Golden Hands Brownies and last enrolled Guides were at the Recreation Centre where Father Bissollette enjoyed lunch with the girls and their leaders. We thank Father for talking to the girls in a very special way.

Coming up in Bon Accord

By Sadie Allen

A home decorating and roll-on painting course will be held in the Bon Accord Community Centre commencing on Wednesday, March 12th from 8 - 10 and running through until April 16. The first three lessons featuring art/drawing picture onto smoked plywood on March 12, placements on March 19 and litholifting and domes on March 26 will be given by Doreen Moore. The second three, featuring painting pre-shaded picture and feathering and blending on April 2, developing contour and open tip on April 9 and painting on velvet on April 16 will be taught by Linda Engman. Registration is \$2.50 whether one or both courses are taken plus cost of materials. There is a class limit of 10 and interested ones may pre-register by calling Doreen at 921-3697 or Linda at 921-3525.

LAMP CLASS

The lamp class with Jean Smith for Regional Recreation has been rescheduled for Wednesday, March 5 from 10 - 4. At least 10 people need to hold the class. Please register with Pauline Mansfield 921-3625 or Pat Reichle 921-3535 before that date. Registration fee is \$2 plus supplies. Those taking the courses are required to bring scissors, a ruler, pencil, paper, elastic bands, clothespins if you have them or bobby pins.

CUBS AND SCOUTS

The Parents' Committee for cubs and scouts met on Monday, February 17. Guest for the occasion was Mr. Denny May from regional headquarters. The next meeting will be held on March 17 in the Bon Accord Community Centre. A field

trip to the Planetarium has been planned for March 7. Busing has been arranged with departure from the community centre at 5:30 sharp. Anyone arriving late will be left. A charge of 50 cents for children will cover bus fare and planetarium admission. The charge for adults will be \$1.00.

A FEW REMINDERS

Dine and dance, music by the Satellites on March 1 in the Bon Accord Community Centre.

Travelling art show at the village office on March 5, 6 and 7 from 9 - 4 and an additional showing from 7 - 9 on March 6. The show will feature paintings by three members of the Bon Accord Art Club along with others.

Bon Accord St. John Emergency Service dine and dance on March 15 with music by the Country Pipers.

Morinville to get new elementary school

Ernie Jamison, MLA was happy to advise Guy St. Germaine, chairman of Thibault School Board that a new 10-room elementary school plus double gymnasium has been approved for the new subdivision in Morinville. Provision has been made in the design for a further six classrooms as required. Written confirmation and details have been received from the School Buildings Board of the Provincial Government.

The instructional space will have four general classrooms at 750 square feet each, one early childhood facility, 705 sq. ft., one science and one art classroom at 1,000 sq. ft. each; a library, lunch study room, a one stage/ancillary room, and a double gymnasium of 4,800 square feet.

Non-instructional space will provide four administrative offices: for principal, vice-principal, counselling and secretary and general administration.

Staff areas will include a staff common room, staff work room and lavatories. Other non-instructional areas may include gym storage.

physical education office, shower and dressing rooms and an infirmary.

Government support for the school is \$24 per square foot, or actual cost, whichever is lower, and \$17 per square foot for the plug-ins, or actual cost, whichever is lower.

A basic concept of the recognition of need revolves around a school facility to serve "Two primary needs, education and community use" states the letter from the Buildings Board.

Arrangements will be finalized after the actual site of the school in the new subdivision is determined, and the Buildings Board advised.

Legal Credit Union opens new building

Marcel Dube, manager of the Legal Credit Union, displays for the crowd an Alberta landscape painting presented for the new office by Ernie Jamison at the opening ceremonies held Saturday afternoon.

By Lucienne Montpetit
The new Legal Savings and Credit Union office was officially opened on Saturday, February 22. The public and the guests were invited to visit the new premises from 3 to 4 p.m., with the official ribbon cutting ceremony at 4:30 p.m.

Mr. Walter Van de Walle, the capable master of ceremonies asked for everyone's attention and had the ceremony underway. He called upon the following to speak: Mr. Theodore Zilinski (Fred) president of the Credit Union took this opportunity to welcome everyone and invited them to attend the supper and meeting. The past president Mr. Leonard Blanchette chose to speak in French, and welcomed the guests and members.

His Worship, Deputy Mayor Arthur Morin in the absence of Mayor Joseph Nault brought greetings from the village council and wished them continued success. Mr. Harold Webber from the Dept. of Agriculture expressed best wishes from his department.

MLA Ernie Jamison congratulated the Credit Union and brought greetings from the Premier. He presented the able manager Marcel Dube, with a lovely picture for the new office. Mr. Al Shorten, fieldman for the Credit Union Federation of Alberta, Mr. Leo Alain,

manager of St. Albert Credit Union and Mr. Dave Bokenfroh, president of the Morinville Credit Union brought greetings and expressed their best wishes for continued growth and success.

Miss Marie St. Martin greeted the group on behalf of the residents of Legal and expressed her best wishes.

Mr. Duncan Stockwell, general manager of Steel Space Industries also extended his congratulations and wished them continued success.

Having with us four of the original charter members, Mr. Van de Walle recognized these persons and asked them to take a well deserved bow. Mr. Dominique Coulombe, first president; Mr. Patrick Montpetit, first secretary; Mr. Napoleon Belley and Mr. Georges Montpetit. Honourable mentions were given to Mr. Lionel Forcade and Mr. Leon Prefontaine. Deputy Mayor Arthur Morin with the assistance of Mr. Dominique Coulombe, Mile Fete au Village and Mr. Patrick Montpetit were called

DOMINIQUE COULOMBE (from left), 1st president, Patrick Montpetit, 1st secretary, Napoleon Belley and George Montpetit all took a bow last Saturday when they attended the opening of the new Legal Savings and Credit Union. They are all charter members of the original Legal Credit Union.

ed upon to cut the ribbon and declared the building officially opened.

The Board of Directors would like to thank each and everyone, who in one way or

another helped to make this opening the memorable occasion that it was.

NOTICE OF PUBLIC HEARING

The council of the Town of Morinville having been given authority under Section 119 of the Planning Act, R.S.A. 1970, as amended, to control development within the boundaries of the Town of Morinville by zoning, will hold a public hearing.

The purpose of this bylaw is as follows:

That the Zoning Map attached to and forming part of the Zoning Bylaw of the Town of Morinville be amended by zoning:

The South-Easterly part of Lot B, as shown on the plan below, from C1 (Commercial to SP (Semi-public and Institutional).

The proposed Bylaw #1/75 may be examined between the hours of 9:00 a.m. and 5:00 p.m. at the office of the Secretary-Treasurer of the Town of Morinville.

The Public Hearing, if necessary, will be held in the Town office on the 25th day of March, 1975 at 8:00 p.m.

Written objections to the proposed bylaw will be received by the Secretary-Treasurer at his office until 4:00 p.m. on the 25th day of March, 1975. Objections shall be submitted in writing prior to the meeting. Those written objections which have been received before the designated time will be discussed at the meeting before further presentations will be recognized.

Paul E. Brochu,
Municipal Administrator.

VIMY NEWS

By Darlene Provencal
Get well wishes are being sent to Mrs. Jeannette Burns who is in the Westlock Hospital. Jack also informs me that his daughter, Mrs. Joyce Pelletier, Legal, is back home now after several weeks in the hospital resulting from an auto accident. Hope you're both feeling better before long.

Mr. and Mrs. Jerry Arlow are back after a very pleasant month vacationing in Hawaii. John and Mary Marchuk also spent several weeks there, soaking up the sun.

A celebration party was held at the home of Dick and Gerie Despins on Saturday, February 15 to honor Louis Despins and his bride, Judy. All the Despins children were present for this occasion, some coming from Prince George, Kamloops, Vegreville, Thorhild and others from Edmonton, Clyde and Vimy. It was also a little extra special day for Donald Despins who celebrated his 15th birthday.

Get well wishes are being

sent to Mrs. Emile Andruszewski who underwent surgery this week in the Westlock Hospital.

Are you interested in a cake decorating course? Names are now being taken and the course is to start March 11 for eight weeks. For more information contact Rachel at 961-2117 or the Regional Recreation Board in Westlock.

A Ukrainian Easter egg decorating course will be offered in Westlock on March 5, March 12 and March 19 for any of you ladies who are interested. A display of these Easter Eggs will be held at Lindahl's in Westlock. For further information phone 961-2117, or the Regional Rec. Board in Westlock.

Gym night was a great success and if you have second thoughts about joining, the last night for any registration will be held on February 26.

Many relatives and friends gathered recently at the

Vimy Community Hall to celebrate the Golden Wedding of Mr. and Mrs. Francois Landry. The celebration was in the form of a family dinner following a thanksgiving mass at Our Lady of Victories Church with Rev. Fr. Croxson. The couple took their original vows here in Vimy on February 16, 1925, with Rev. Fr. Mallet.

Mr. Landry was born in St. Gregoire, Quebec, and came to Vimy in 1922 to visit his uncle, Mr. Edmund Morrisette. At that time he decided to join to a partnership with his brother, Al-beric, and start a general store. Today, after more than 50 years, they are still partners in the business. Francois was also the assistant postmaster in Vimy for 45 years. Mrs. Landry, the former Blandine St. Arnaud, was born in Legal and raised in the Vimy area. The couple met and were married here in Vimy where they have made their home ever since.

Mr. and Mrs. Landry have eight children, five daughters, Mrs. Roy (Therese) Stack, Edmonton; Mrs. William (Bernadette) Rozmahel,

Viking Mrs. George (Francoise) Greenwood, Beaver-ton, Oregon, U.S.A., Made-leine, Maillardville, B.C., Lucienne, Fahler; three sons, Ulric, Vimy; Marcel, St. Paul; Jean-Marie, St. Albert and 23 grandchildren who each in their turn presented a yellow rose to their grand-parents, making up a beautiful bouquet.

A telegram was received from George and Francoise Greenwood, Beaver-ton, giving their congratulations and wishing they could be with the family.

Messages of congratulations were received from Prime Minister Trudeau, Lt. Gov. Steinhilber, Gov. Gen. and Madame Leger, Premier Peter Lougheed, Robert St. Andrew, Peter Elzinga, MP E. Jamison, MLA and Bishop Roy.

Lucien St. Arnaud was enroute for the wedding and Rick Landry spoke a few words on behalf of the children.

Now, on behalf of the community of Vimy, I would also like to extend congratulations and best wishes to this happy couple on their 50th wedding anniversary.

Riviere Qui Barre Meeting

A meeting has been arranged by the Sturgeon School Board on Monday evening at Camilla School, beginning at 8 p.m. with regard to the centralized high school proposed for Naimao. Such meetings will

be held in every school in the division in response to a request for up-to-date public opinion from the Provincial Department. All interested persons in the area are invited to attend, and a public opinion poll will be taken at the meeting.

NOTICE OF PUBLIC MEETINGS

THE BOARD OF TRUSTEES OF THE

STURGEON SCHOOL DIVISION NO. 24

Will be holding Public Meetings relative to the Division's proposed new High School to be built at Naimao. These meetings will be held as follows:

CAMILLA SCHOOL - MONDAY, MARCH 3
BIRSE HILL SCHOOL - MONDAY, MARCH 3
GIBBONS SCHOOL - TUESDAY, MARCH 4
BON ACCORD SCHOOL - WEDNESDAY, MARCH 5
NAMAQ SCHOOL - WEDNESDAY, MARCH 5
STURGEON HEIGHTS SCHOOL - THURS., MARCH 6

The above meetings will commence at 8 p.m., with the exception of Bon Accord, which will commence at 7:30 p.m.

An Opinion Poll will be held at each of the meetings to determine public support of the proposal. All interested persons are urged to attend.

PROPOSED DEVELOPMENT

MUNICIPAL DISTRICT OF STURGEON NO. 90
MORINVILLE, ALBERTA.

It is the Council's intention to re-classify the following lands from Light Industrial Reserve to Light Industrial for development purposes as proposed by Alberta Food Products Limited; c/o Hilldale Developments Limited, 1000 Royal Trust Tower, Edmonton Centre, Edmonton, Alberta; for the purpose of a Rape Seed Crushing Plant:

Northerly Portion of River Lots 18 and 20,
Fort Saskatchewan Settlement.

Persons affected by, or objecting to, the said proposal may submit in writing to the undersigned, the reasons for their objections, or views on same on or prior to March 27th, 1975.

D. Gary Brownlee,
Development Officer.

MORINVILLE MEMOS

By Marilyn Pelletier
Father George H. P. Pri-
mean has received a cheque
from the Department of Cul-
ture, Youth and Recreation
in the amount of \$2,000 for a
Cemetery Restoration pro-
gram. The program is in
support of both restoring the
cemetery property and pre-
serving historically important
graves throughout Alber-
ta.

Mr. and Mrs. Tony Baker,
daughter and son-in-law of
Mr. and Mrs. Pat Short left
last Sunday on a five-week
trip to Preston Paiton,
Devon, England. While there
Tony and Shirley will be
staying with his parents.

Members of the Central
Sturgeon Agricultural So-

cety wish to thank skaters,
sponsors and everyone else
who helped to make the
skate-a-thon such a success.
Nice going folks! Would you
please try to get your pledges
in as soon as possible, so we
can let you know how much
was raised.

A new company that
recently opened a office in
the Cunningham School is
Alberta Hail and Crop
Insurance. I understand they
have three fieldmen to serve
all the farmers needs. The
secretary is Marilyn Fizer
from Logal and the phone
number here in town is
939-4863 for any information.

By chance this past week I
went to the Ruby Jean
Ceramics class. Found out

that they have ideal wedding
and anniversary gifts for
sale. They will also make to
order any ceramic items you
would like to purchase. The
finished canister sets, stat-
ues, plaques are really
lovely. The girls extend an
invitation to anyone in seeing
the molds finished to drop in
and see them at 10107 - 97
Avenue.

We are happy to hear that
our Mayor, Art Stapleton is
home after being a patient in
St. Albert Hospital.

Congratulations to Dr. and
Mrs. Allan Maloney the proud
parents of a third son
Shawn Jeffery, born Tues-
day, Feb. 18 at 10 p.m.
Shawn weighed 7 lbs. 10 ozs
at birth. A brother for Kevin

and Allan Jr. The proud
grandparents are Mr. and
Mrs. Wm. Maloney, Mr. and
Mrs. Geoffrey Kremer of
Morinville.

Advance notice of the
Foster Parents meeting at
the Rec. Centre March 11 at
8 p.m. Dr. P. Sylbus of
Alberta Social Development
will be the guest speaker.
This is an open meeting and
all interested residents are
welcome to attend.

George and Yvonne Vra-
nas have just returned from a
four week holiday down in
the sunny south. They were
in Phoenix, Arizona, and
visited the Petrified Forest,
and were even more petrified
when they took a look down
the Grande Canyon. Next
they enjoyed the scenic

painted desert. They stopped
over in New Gales, Mexico
and visited Tombstone Yuma
where it was 90 degrees
above each day they were
down there. They were in
San Diego for eight days and
went swimming in the Pacific
Ocean. (The ocean did come
up a little when they jumped
in). While there they attend-
ed the annual convention
for Wine Farm Equipment.
A report to you on a lot
of snow in northern Califor-
nia.

While in Las Vegas,
George lost his sense of
direction and forgot where he
thought he lost it at the
casinos, but he back tracked
himself right to it. No short-
age of gasoline down there.
Prices are comparable to
ours. All in all they had a
great time, and its nice to see
them back.

Melodi Thibault and sons
spent the weekend in Wan-
dering River with her hus-
band and visited friends
while there.

A surprise farewell party
was held for Mary Poule and
Gaston Kremer at the Villen-
age Hall recently. Approxi-
mately 150 people were on
hand to wish them bon
voyage. George Soetaert
presented them with a
leather case, and a pen and
pencil set on behalf of
everyone there. Prior to
establishing a permanent

residence the Kremers are
holidaying in the sunny
climes of California with
their friends Mr. and Mrs.
Joe Rouault of St. Albert.

Here are some of the
happening stories Canadian
Legion for the month of
March 11 - 15 games of
dance. Also a social night
52-53 in the door. Plus an
Irish in you, and so on out
March 29 - is a social night,
which should be a lot of fun.

Dr. and Mrs. Allan Mal-
oney and family are new
residents in Morinville. They
have purchased the Gaston
Kremer house.

FLASH - FLASH

NHL hockey star Dave
Kryskow will be holding a
hockey school in Morinville
starting the first part of
August. Along with Dave will
be four or five other pro-
fessional hockey players from
NHL and World Hockey.
Its open to children between
the ages of 6 and 16 and
expect to accommodate about
140 youngsters per week.
Send your applications today
to Box 484 Morinville. Let
your child learn the finer
points of the game from
these top notch professionals.
Its a wonderful experience.
Perhaps some of the old-
timers would even be inter-
ested.

Concordia defeats Vanier in close basketball final

By Renu Khullar
Saturday, February 22,
was an exciting day at G. P.
Vanier High School in Mor-
inville where the North
Central "AA" Girls basket-
ball finals took place.

The senior girls, coached
by Mr. Gerald Houle, played
the first game against
Onaway at 9:30. It was a very
close game, and the score at
the end of the third quarter
was 12 - 11 for Vanier. In the
last quarter, Vanier made
two points and won the
game with a final score of 21
- 13. Donna Boddez who
made a total of nine points
in the game was the top scorer.
Because of this win Vanier
advanced to the semi-finals.

Immediately afterwards,
Sanguo won their game
against Evansburg with a
score of 20 - 14 and they also
advanced to the semi-finals.
The other semi-finalists were
the Redwater girls who
defeated Whitecourt 31 - 23.
In the semi-finals, Vanier
played an exciting game
against Sanguo at 2 p.m.

Vanier led in the scoring in
the first half, but Sanguo
picked up 12 points in the
last quarter, making the
score unbelievably close, 30 -
29. In the last few seconds of
the game, Aline Remillard
made a beautiful basket and
brought the score to 32 - 29, a
decisive win for Vanier who
then advanced to the tourna-
ment finals. Aline also was
the top scorer on the team
contributing a total of 10
points.

Again in the semi-finals,
Redwater played Concordia
College who had been
awarded a bye because of the
uneven number in partici-
pating teams. Concordia played
a good game, and defeated
Redwater 47 - 24 and thus
became the other team

qualifying for the final game.
After half an hour, to allow
Concordia a chance to rest,
the final game began about 5
p.m. as the gym filled with
cheering fans. Concordia and
Vanier played well and it was
a close game for the most
part, but it was also an
extremely rough game and
many fouls were called on
both teams.

At the end of the first half
the score was 15 - 13 in
Concordia's favour and after
half-time the tension really
began to build up. Vanier got
in the lead and both teams
were under a great deal of
pressure. The game was
always noisy with the cheer-
ers and whistles from the stu-
dents, cheerleaders and
players. In the last

Concordia gained an edge
and made three consecutive
baskets and finally won the
game (32 - 26), thus also
winning the title of zone
champions. Rita Ruppel was
the top scorer on Vanier's
team and she made a total of
10 points. Concordia re-
ceived a trophy and will
advance to the provincial
finals in Grande Prairie next
weekend.

The tournament could not
have gone off so well without
the excellent organization of
the Sports Committee and
the help of many students
who volunteered to work in

the morning and afternoon
during the day. The en-
tire community was
able to sincerely thank
the senior citizens who
gave their support and
encouragement the entire
day. Also, thanks to the
many spectators who came to
cheer the girls on.

Namoo News

By Norma Crozier
A shower will be held at
Namoo Community Hall
honouring Cheryl Regnier,

bride-elect of Adolph Yeske,
on March 13 at 8 p.m.

Namoo St. John's the Ev-
angelist Catholic Mass will
be changed to Saturday
nights at 7 p.m., starting
March 1, 1975 at Namoo
United Church.

A Parish pot luck sup-
per will be held in the Namoo
Community Hall on March 1
at 4 p.m.

Sturgeon Gas Co-op annual
meeting will be held at
Namoo Community Hall on
March 10, 1975 at 8 p.m.

Mr. and Mrs. Ted Samis
have returned from a two
week holiday in Hawaii. They
were accompanied by Mr.
and Mrs. Robert Hanby of
Edmonton.

Get well wishes to Mrs.
Marg Pearce who is a patient
in Cammell Hospital. We all
wish her good health again
very soon.

A very enjoyable afternoon
was had at the Snowmobile
gymkhana held at the Namoo
grounds on Sunday, Feb. 23.
With the beautiful weather a
good crowd was out to enjoy
the activities.

Total point winners were:
1st - John Gibson - 31 points
2nd - Roy Melnyk - 27 points
3rd - Vance Johnson - 12
points
4th - Don Foster - 10 points
5th - Dave Gwilliam - 5 points
6th - Art Yeske - 4 points
7th - Dennis Gibson - 4 points
8th - Wayne Potter - 4 points
9th - Byron Shultz - 3 points

PARTS & ACCESSORIES

Urgent message of concern to the residents of the M.D. of Sturgeon.

PLANNING WORKSHOPS ARE BEING SPONSORED BY THE LOCAL MUNICIPALITIES AND THE EDMONTON REGIONAL PLANNING COMMISSION (ERPC). THEY WILL BE HELD THROUGHOUT THE EDMONTON AREA DURING THE MONTHS OF FEBRUARY, APRIL AND MAY, 1975.

WHY A WORKSHOP?

The Edmonton area's politicians and planners are facing complex growth issues and problems. Before they can respond to them, they need to know your concerns, your ideas and your preferences. This will be your opportunity to have an impact on the area's future growth. Please take advantage of it.

WHAT KIND OF WORKSHOP?

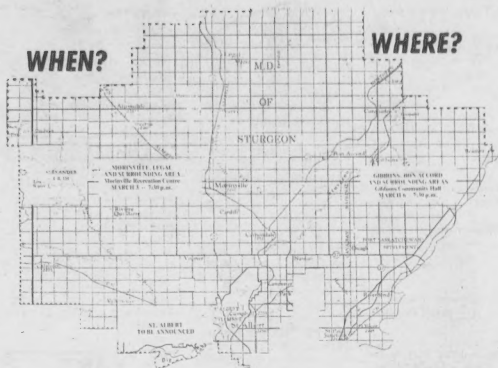

THE THEME OF THE "PLANNING WORKSHOPS" WILL BE "IMPROVING OUR QUALITY OF LIFE." PLANNERS FROM THE ERPC WILL BE PRESENTING INFORMATION ON RECENT GROWTH PATTERNS AND THE RESULTS OF A SURVEY USED TO IDENTIFY PUBLIC CONCERNS ON URBAN GROWTH. THE MAIN PART OF THE WORKSHOP WILL CENTRE AROUND GROUP DISCUSSIONS, WHERE YOU WILL BE PROVIDED WITH AN OPPORTUNITY TO EXAMINE AND DISCUSS LOCAL AND REGIONAL GROWTH ISSUES. LOCAL POLITICIANS AND LEADERS HAVE BEEN INVITED TO ATTEND.

WHAT IS THE EDMONTON REGIONAL PLANNING COMMISSION

It is an agency which provides and co-ordinates planning for municipalities in its area. In addition it is the subdivision planning authority for land outside the City of Edmonton.

WHEN?

WHERE?

The issues: what's at stake

- Rate of growth, future annexation
- Location of employment opportunities
- Conservation of agricultural land
- The provision of public services
- Regional tax base, your taxes
- Land speculation and cost of housing
- Recreational services
- Your concerns and quality of life

FOR FURTHER INFORMATION: CONTACT YOUR LOCAL MUNICIPAL OFFICE OR THE EDMONTON REGIONAL PLANNING COMMISSION AT 429-6821.
